Mr. Gilchrist offered the following amendment to the bill, H. 102, as amended:

Amend H. B. 102, as amended, as follows:

In Section 3, subsection (a), strike out the word "principal";—

Also, in Section 8, subsection (b), strike out "probably" and insert "probable";

Also, in Section 9, subsection (a), strike out "no licensee whose business is free from violations of this Act" and insert "no licensee whose business is free from wilfull violations of this Act";

Also, strike out subsection (a) of Section 13 and insert the following:

(a) Other Business in Same Office. No licensee shall conduct the business of making loans under this Act within any office, suit, room, or place of business in which any other business is solicited or engaged in or in association or conjunction with any other business until three days' written notice of an intention so to do has been given the supervisor. Upon receipt of written notification, the supervisor may investigate the facts and, if he finds that the character of the licensee and the nature of the other business warrant belief that such conduct of business would conceal any violation or evasion of this Act, or of regulations lawfully made hereunder, he shall enter an order directing the licensee to discontinue said other business. The order shall be entered in the manner specified in and subject to the provisions of Section 5(c) of this Act.

And the amendment was adopted.

## NOTICE IN WRITING BY MR. LEE

Received, read and ordered filed.

## NOTICE IN WRITING

Mr. Nettles filed the following Notice in Writing:

Notice is given herewith, that in my opinion the circumventing of House Rules 2 and 6 will make the legality of any bill highly questionable. I herewith present in writing my protest of said circumvention for the purpose of giving notice to the members of this house and the Speaker, in the event that the constitutionality of any now pending bills are tested in the courts of Alabama.

#### CONSIDERATION OF H. 102 RESUMED

H. 102. Relating to the small loan business; providing for the regulation, examination, investigation, and licensing of individuals, firms, and corporations engaged in the business of lending money in amounts of five hundred dollars or less, and for the suspension and revocation of such licenses; prescribing maximum rates of interest and other charges for loans; providing for the administration and enforcement of the Act; and prescribing penalties.

As amended, was again taken up.

Mr. Reynolds (Chambers) offered the following substitute for the bill, H. 102, as amended:

#### A BILL TO BE ENTITLED AN ACT

Relating to the small loan business; providing for the regulation, examination, investigation, and licensing of individuals, firms, and corporations engaged in the business of lending money in amounts of one thousand dollars or less, and for the suspension and revocation of such licenses; prescribing maximum rates of interest and other charges for ~~loans; providing~~ for the administration and enforcement of the Act; and prescribing penalties.

Be It Enacted by the Legislature of Alabama:

Section 1. Declaration of Legislative Intent. The Legislature finds as facts and determines that:

1. There exists among citizens of this state a widespread demand for small loans. The scope and intensity of this demand have been increased progressively by many social and economic forces.

2. The expense of making and collecting small loans, which are usually made on comparatively unsubstantial security to wage-earners, salaried employees and other persons of relatively low income is necessarily high in relation to the amounts lent.

3. Such loans cannot be made profitably under the limitations imposed by existing laws relating to interest and usury. These limitations have tended to exclude lawful enterprises from the small loan field. Since the demand for small loans cannot be legislated out of existence, many small borrowers have been left to the mercy of those willing to bear the approbrium and risk the penalties of usury for a large profit.

4. Interest charges are often disguised by the use of subterfuges to evade the usury law. These subterfuges are so complicated and technical that the usual borrower of small sums is defenseless even if he is aware of the usurious nature of the transaction and of his legal rights.

5. As a result, borrowers of small sums are being exploited, to the injury of the borrower, his dependents, and the general public. Charges are generally exorbitant in relation to those necessary to the conduct of a legitimate small loan business; trickery and fraud are common; and oppressive collection practices are prevalent.

6. These evils characterize and distinguish loans of one thousand dollars (\$1000) or less. Legislation to control this class of loans is necessary to protect the public welfare.

7. It is the intent of the legislature in enacting this law to bring under public supervision those engaged in the business of making such loans, to eliminate practices that facilitate abuse of borrowers, to establish a system of regulation for the purpose of insuring honest and efficient small loan service and of stimulating competitive reductions in charges, to allow lenders who meet the conditions of this Act a rate of charge sufficiently high to permit a business profit, and to provide the administrative machinery necessary for effective enforcement.

Section 2. Definitions. The following words and terms when used in this Act shall have the following meanings unless the context clearly requires a different meaning. The meaning ascribed to the singular form shall apply also to the plural.

"Person" shall include individuals, co-partnerships, associations, trusts, corporations, and any other legal entities.

"License" shall mean a license, issued under the authority of this Act, to make loans in accordance with the provisions of this Act at a single place of business.

"Licensee" shall mean a person to whom one or more licenses have been issued.

"Supervisor" shall mean the Supervisor of the Bureau of Loans of the State Banking Department.

"Bureau" shall mean the Bureau of Loans of the State Banking Department.

"Cash Advance" means the amount of cash or its equivalent the borrower actually receives or is paid at his direction or on his behalf.

Section 3. Scope (a) No person shall engage in the business of lending in amounts of one thousand dollars (\$1000) or less and contract for, exact, or receive, directly or indirectly, on or in connection with any such loan, any charges whether for interest, insurance, compensation, consideration, or expense, which in the aggregate are greater than the interest that the lender would be permitted by law to charge for a loan of money if he were not a licensee under this Act, except as provided in and authorized by this Act and without first having obtained a license from the supervisor. For the purpose of this section a loan shall be deemed to be in the amount of one thousand dollars (\$1000) or less if the net amount or value advanced to or on behalf of the borrower, after deducting all payments for interest, expenses, and charges of any nature taken substantially contemporaneously with the making of the loan, does not exceed one thousand dollars (\$1000).

(b) Exemptions. This Act shall not apply to any person doing business under the authority of, and as permitted by, any law of this State or of the United States relating to Banks, Savings Banks, Trust Companies, Savings or Building and Loan Associations, Credit Unions as defined by law nor to any lawful, bona fide pawnbroking business nor shall this act apply to any person making loans to their tenants engaged in agriculture, nor to loans by agricultural suppliers to persons whose principal business is farming, nor shall it apply to the business of financing the purchase of motor vehicles, refrigerators or other personal property nor, shall this apply to loans insured or guaranteed by the United States or any of its Agencies.

(c) Evasions. The provisions of subsection (a) of this section shall apply to any person who seeks to evade its application by any device, subterfuge, or pretense whatsoever.

(d) Penalty. Whoever violates or participates in the violation of any provision of this section shall be guilty of a misdemeanor and upon conviction thereof shall be punishable by a fine of not more than five hundred dollars (\$500) nor less than one hundred dollars (\$100), or by imprisonment for not more than six months, or by both such fine and imprisonment, in the discretion of the court. Any contract of loan in the making or collection of which any act shall have been done which violates this section shall be void and the lender shall have no right to collect, receive, or retain any principal, interest, or charges whatsoever.

Section 4. Application and Fee. Application for a license shall be in writing, under oath, and in the form prescribed by the supervisor. The application shall give the approximate location where the business is to be conducted and shall contain such further relevant information as the supervisor may require, including the names and addresses of the partners, officers, directors, or trustees, and of such of the principal owners or members as will provide the basis for the investigations and findings contemplated by section 5 of this Act. At the time of making such application, the applicant shall pay to the supervisor the sum of one hundred dollars (\$100) as a fee for investigating the application. All licensees under this Act shall pay an annual license of two hundred dollars (\$200) which shall be due on October 1 of each year and shall be for one year ending September 30 following, and shall be delinquent on the first day of November of each year. And there shall be a penalty of ten percent (10%) added to such license upon delinquency and collected by the bureau. If any applicant licensed under this Act for the first time shall commence business after the first day of April in any year, the amount of the license shall be one-half of the amount of a full year's license. The amount of the license (and penalties if any) shall be paid to the supervisor of the bureau of loans, who shall remit the same to the treasurer of the State of Alabama as provided by law. The license herein provided for shall be in addition to all other licenses now or hereafter provided for by law, and shall be in addition to the tax provided for by Chapter 18, Title 51, Code of Alabama (1940) as amended; and the amount of the license levied by this section shall not be credited upon or deducted from, in whole or in part, the tax levied by said Chapter 18, as amended, as to the current state tax year or as to any prior or subsequent state tax year. No refunds for the current or any prior or subsequent state tax year or any portion of the tax levied by said Chapter 18, as amended, shall be made on the ground that the license levied by this section was not credited upon or deducted from the tax levied by said Chapter 18, as amended; and no suit or action shall lie to enforce any claim for such refund.

Section 5. (a) Investigation of Application. Upon the filing of such application and the payment of such fees, the supervisor shall investigate the facts concerning the application and the requirements provided for in subsection (b) of this section. The supervisor shall grant or deny such application for a license within ninety days from the filing thereof with the required information and fees unless the period is extended by written agreement between the applicant and the supervisor.

(b) Issuance of License. If the supervisor shall find that the liquid assets, financial responsibility, experience, character, the general fitness of the applicant are such as to warrant the belief that the business will be operated lawfully, honestly, fairly, and efficiently, within the purposes of this Act, and that allowing such applicant to engage in the business would promote the convenience and advantage of the community in which the business of the applicant is to be conducted, he shall thereupon enter an order granting such application, and file his

findings with the bureau, and forthwith issue and deliver a license to the applicant.

(c) Denial of License. If the supervisor shall not so find, he shall notify the applicant in writing who may request a hearing on the application. The request for a hearing must be within thirty (30) days of the rejection with the hearing to be held within thirty (30) days of the date of the request. After such hearing, or, if no hearing is demanded, the supervisor may deny such application by written order, accompanied by his findings of fact, and shall deliver a copy of such order and findings to the applicant. The investigation fee shall be retained by the supervisor while the license fee shall be returned to the applicant.

Section 6. (a) Posting of License. Each license shall state the address at which the business is to be conducted and shall state fully the name of the licensee, and if the licensee is a co-partnership or association, the names of the members thereof, and if a corporation, the date and place of its incorporation. Each license shall be kept conspicuously posted in the licensed place of business and shall not be transferable or assignable.

(b) Continuing License. Each license shall remain in full force and effect until surrendered, revoked, or suspended as hereinafter provided.

Section 7. (a) Place of Business. Not more than one place of business shall be maintained under the same license, but the supervisor may issue additional licenses to the same licensee upon his compliance with all the provisions of this Act governing the issuance of the first or original license.

(b) Removal. No change in the place of business of a licensee to a location outside of the original municipality shall be permitted under the same license. When a licensee wishes to change his place of business within the same municipality, he shall give written notice thereof to the supervisor who shall investigate the facts, and if he shall find the proposed location is reasonably accessible to borrowers under existing loan contracts, he shall enter an order permitting the change and shall amend the license accordingly. If the supervisor shall not so find he shall enter an order denying the licensee such permission in the manner specified in and subject to the provisions of Section 5 (c) of this Act.

(c) Residence of Borrower. Nothing in this Act shall be construed to restrict the loans of any licensee to residents of the community in which the licensed place of business is situated.

Section 8. (a) Revocation of License. The supervisor shall, upon ten days' written notice to the licensee stating the contemplated action and in general the grounds therefor, and upon reasonable opportunity to be heard, revoke any license issued hereunder if he finds that:

1. The licensee has failed to pay the annual license fee; or that
2. The licensee, either knowingly or without the exercise of due care to prevent the same, has violated any provisions of this Act or any regulation or order lawfully made pursuant to and within the authority of this Act; or that
3. Any fact or condition exists which, if it had existed or had been known to exist at the time of the original application for such license, clearly would have justified the supervisor in refusing originally to issue such license, except the license shall not be revoked because of convenience and advantage; or that
4. The licensee is found guilty by the supervisor of using unreasonable collection tactics,

(b) **Suspension of License.** If the supervisor finds that probable cause for revocation of any license exists and that enforcement of the Act requires immediate suspension of such license pending investigation, he may, upon three days' written notice and a hearing, enter an order suspending such license for a period not exceeding thirty days.

(c) **Records and Notice.** Whenever the supervisor shall revoke or suspend a license issued pursuant to this act, he shall enter an order to that effect and forthwith notify the licensee of the revocation or suspension. Within five days after the entry of such an order he shall file with the bureau his findings and a summary of the evidence supporting them, and he shall forthwith deliver a copy thereof to the licensee.

(d) **Surrender of License.** Any licensee may surrender any license by delivering it to the supervisor with written notice of its surrender, but such surrender shall not affect his civil or criminal liability for acts committed prior thereto.

(e) **Pre-Existing Contracts.** No revocation, suspension, or surrender of any license shall impair or affect the obligation of any pre-existing contract between the licensee and any borrower.

(f) **Reinstatement of License.** The supervisor may reinstate suspended licenses or issue new licenses to a person whose license or licenses have been revoked if no fact or condition then exists which clearly would have justified the supervisor in refusing originally to issue such license under this Act.

(g) **Complaints of Violation Investigated.** The supervisor shall, upon sworn complaint of any borrower, investigate or cause to be investigated ~~any alleged violation of this Act.~~

**Section 9. (a) Annual Examinations of Licensees.** At least once each year and at such other time as may be deemed necessary by the supervisor of the bureau of loans an examination shall be made of the place of business of each licensee and of the loans, transactions, books, papers and records of such licensee so far as they pertain to the business licensed under this Act. As cost of examination the licensee shall pay to the bureau of loans under such rules and regulations as may be reasonably prescribed by the supervisor thereof with the approval of the superintendent of banks an examining fee of fifty dollars (\$50) per day or any part thereof for each examiner and in addition thereto ten dollars (\$10) per day per examiner as per diem; provided, however, that no licensee whose business is free from willful violations of this Act shall be required to pay more than a total sum of two hundred dollars (\$200) in any twelve (12) month period as examiners fees; provided, further, that all fees collected by the bureau of loans under the terms of this section shall be paid into a special fund to be set up by the State Treasury; the special fund shall be used to pay the salaries of the officials and employees and the expenses of the bureau of loans, and all moneys deposited therein are hereby appropriated for that purpose; provided, however, nothing herein shall be construed to mean that all salaries of the officials and employees and expenses of operating the bureau of loans shall come from the special fund.

(b) **Investigations.** For the purpose of discovering violations of this Act or of securing information lawfully required hereunder, the supervisor or his duly authorized representatives may at any time investigate the business and examine the books, accounts, papers, and records used therein, of (1) any licensee, (2) any other person engaged in the business described in Section 3 (a) of this Act or participating in such business as principal, agent, broker, or otherwise, and (3) any person who the supervisor had reasonable cause to believe is violating

or is about to violate any provision of this Act, whether or not such person shall claim to be within the authority or beyond the scope of this Act. For purposes of this section, any person who shall advertise for, solicit, or hold himself out as willing to make loan transactions in the amount or of the value of one thousand dollars (\$1000) or less shall be presumed to be engaged in the business described in Section 3 (a) of this Act.

(c) Access To Records: Witnesses. For the purposes of this section, the supervisor or his duly authorized representatives shall have and be given free access to the offices and places of business, files, safes, and vaults of all such persons, and shall have authority to require the attendance of any person and to examine him under oath relative to such loans or such business or to the subject matter of any examination, investigation, or hearing.

(d) Cease and Desist Orders: Injunctions; Receivers. Whenever the supervisor has reasonable cause to believe that any person is violating or is threatening to or intends to violate any provision of this Act, he may in addition to all actions provided for in this Act, and in addition to all other remedies that he may have at law or in equity, and without prejudice thereto enter an order requiring such person to desist or to refrain from such violation; and an action may be brought on the relation of the Attorney General or the supervisor to enjoin such person from engaging in or continuing such violation or from doing any act or acts in furtherance thereof. In any such action, an order or judgment may be entered awarding such preliminary or final injunction as may be deemed proper. In addition to all other means provided by law for the enforcement of a restraining order or injunction, the court in which such action is brought shall have power and jurisdiction to impound, and to appoint a receiver for the property and business of the defendant, including books, papers, documents, and records pertaining thereto or so much thereof as the court may deem reasonably necessary to prevent violations of this Act through or by means of the use of said property and business. Such receiver, when appointed and qualified, shall have such powers and duties as to custody, collection, administration, winding up, and liquidation of such property and business as shall from time to time be conferred upon him by the court.

Section 10. (a) Books and Records. Each licensee shall keep and use in his business such books, accounts, and records as will enable the supervisor to determine whether such licensee is complying with the provisions of this Act and with the orders and regulations lawfully made by the supervisor hereunder. Each licensee shall preserve such books, accounts, and records for at least two years after making the final entry on any loan recorded therein.

(b) Annual Reports. (1) Each licensee shall annually, on or before the first day of May, file a report with the supervisor as to each licensed place of business under this Act, covering the preceding calendar year. This report shall include the following information, all reported in accordance with sound and generally accepted accounting practice;

(a) Balance sheets at the beginning and end of the period.

(b) A statement of income and expense for the period.

(c) A reconciliation of surplus or net earnings with the balance sheets.

(d) A schedule of assets used and useful in the business.

(e) An analysis of charges, sizes of loans and types of security on loans and an analysis of delinquent accounts.

(f) An analysis of suits, repossessions and sales of chattels.

(g) The type of business organization and if the licensee is a corporation, the principal officers and the resident agent, the partners, if the licensee is a partnership or, the owner, if a sole proprietorship.

(2) If the licensee conducts other business or is affiliated with other licensees under this Act, or, if any other situation exists under which allocations are necessary, the licensee shall make such allocation according to appropriate and reasonable methods.

(3) If the licensee is affiliated with other licensees under this Act, a composite report may be filed on behalf of all affiliated licensees within the State of Alabama, but such composite report shall not be required by the supervisor.

(4) Such report shall be made under oath and shall be in the form prescribed by the supervisor who shall make and publish annually an analysis and recapitulation of such reports.

Section 11. (a) Rules, Regulations and Orders. The supervisor shall have authority to make reasonable rules, regulations and orders for the administration and enforcement of this Act, in addition hereto and not inconsistent herewith. Such regulation or order shall be referenced to the Section or Sections of the Act which set forth the legislative standard which it interprets or to which it applies. Every regulation shall be promulgated by an order, and any ruling, demand, requirement, or similar administrative act may be promulgated by an order. Every order shall be in writing, shall state its effective date and the date of its promulgation, and shall be entered in an indexed permanent book which shall be a public record. A copy of every order promulgating **a regulation and of every other order containing a requirement of general application** shall be mailed to each licensee at least ten days before the effective date thereof. The failure of a Licensee to receive a copy of the regulations shall not exempt him from the duty of compliance with the valid regulations lawfully issued.

(b) Certified Copies of Official Documents. On application of any person and payment of the costs thereof, the supervisor shall furnish, under his seal and signed by him or his deputy, a certified copy of any license, regulation, or order. In any court or proceeding such copy shall be prima facie evidence of the fact of the issuance of such license, regulation or order.

Section 12. (a) Advertising. No licensee or other person subject to this Act shall advertise, display, distribute, or broadcast or cause or permit to be advertised, displayed, distributed, or broadcast, in any manner whatsoever, any false, misleading, or deceptive statement or representation with regard to the rates, terms, or conditions for loans in the amount or of the value of one thousand dollars (\$1000) or less. The supervisor may require that charges or rates of charge, if stated by a licensee, be stated fully and clearly in such manner as he may deem necessary to prevent misunderstanding thereof by prospective borrowers. The supervisor may permit or require licensees to refer in their advertising to the fact that their business is under state supervision, subject to conditions imposed by him to prevent an erroneous impression as to the scope or degree of protections provided by this Act.

(b) Schedule of Charges. Each licensee shall prominently display in each licensed place of business a full and accurate schedule of the rates of charge upon all classes of loans currently to be made by him.

Section 13. (a) Other Business in Same Office. No licensee shall conduct the business of making loans under this Act within any office,

suite, room, or place of business in which any other business is solicited or engaged in or in association or conjunction with any other business until three days' written notice of an intention so to do has been given the supervisor. Upon receipt of written notification, the supervisor may investigate the facts and, if he finds that the character of the licensee and the nature of the other business warrant belief that such conduct of business would conceal any violation or evasion of this Act or of regulations lawfully made hereunder, he shall enter an order directing the licensee to discontinue said other business. The order shall be entered in the manner specified in and subject to the provisions of Section 5 (c) of this Act.

(b) Business Confined to Licensed Office. No licensee shall conduct the business of making loans provided for by this Act under any name, or at any place of business within this state, other than that stated in the license. Nothing herein shall prevent the making of loans by mail nor prohibit accommodations to individual borrowers when necessitated by sickness or other emergency situations.

(c) Liens on Real Estate. No licensee shall take a lien upon real estate as security for any loan made under this Act, except such lien as is created by law through the rendition or recording of a judgment.

Section 14 (1) MAXIMUM RATE OR CHARGE. Every licensee hereunder may contract for and receive, on any cash advanced (amount of the cash, or its equivalent, that the borrower actually receives or is paid out at his direction or on his behalf) not exceeding one thousand dollars (\$1,000.) in amount, charges not in excess of twenty-six dollars (\$26) per year per one hundred dollars (\$100) on that part of the cash advanced not exceeding three hundred dollars (\$300); sixteen dollars (\$16) per year per one hundred dollars (\$100) on that part of the cash advanced exceeding three hundred dollars (\$300) but not exceeding five hundred dollars (\$500), and twelve dollars (\$12) per year per one hundred dollars (\$100) on that part of the cash advanced exceeding five hundred dollars (\$500) but not exceeding one thousand dollars (\$1,000) when the cash advanced is made for a period of one year, and proportionately at these rates for a greater or lesser amount within said limits or for a greater or lesser period of time, notwithstanding any agreement to repay the loan obligation in installments. Said charges and the cash advanced shall be aggregated at the date of the loan for the entire period of the loan and this aggregated amount shall be repayable in installments in the manner provided in subsection 7 of this section. For the purpose of computing charges for a fraction of a month, a day shall be considered one-thirtieth of a month.

(2) CHARGES ON LOANS OF NINETY DOLLARS (\$90) OR LESS. On a cash advance of ninety dollars (\$90) or less a licensee may charge, in lieu of charges specified in subsection (1) of this section, not in excess of one dollar (\$1) for each five dollars (\$5) of cash advanced to the borrower, up to the amount of ninety dollars (\$90); and a period of at least seven (7) days must be allowed for the repayment of each five dollars (\$5) of the cash advanced, such charges cannot be assessed by any subterfuge or device on any loan over ninety dollars (\$90) or on any balance of ninety dollars (\$90) or less when the original cash advanced was greater than ninety dollars (\$90).

(3) In addition to the charges allowed in Sub-section 1 and 2 of Section 14 there shall be an additional service charge of \$1 allowed on all loans of \$15.00 or less and a service charge of \$2.25 for any loans more than \$15.00.

(4) REFUND. When any loan contract is paid in full by cash, a new loan, renewal or otherwise, one month or more before the final installment date, the licensee shall refund or credit the borrower with

that portion of the total charges which shall be due the borrower as determined by schedules prepared under the rule of 78th or sum of the digits principle as follows: The amount of the refund or credit shall be as great a proportion of the total charges originally contracted for as the sum of the periodic time balances of the contract schedules to follow the date of prepayment bears to the sum of all the periodic time balances of the contract, both sums to be determined according to the payment schedule originally contracted for. No refund shall be required for any partial prepayment and no refund of less than one dollar (\$1) need be made.

(5) **DEFAULT OR EXTENSION CHARGES.** If the contract so provides, the additional charge for any installment past due five (5) or more days, whether by reason of default or extension agreement, may be five per cent (5%) of the installment past due and said amount may be charged once and no more.

(6) **RECORDING FEES.** The licensee may collect from the borrower the actual fees paid a public official, or agency of the State, for filing, recording or releasing any instrument securing the loan.

(7) **NO FURTHER CHARGES, NO SPLITTING CONTRACTS, CERTAIN CONTRACTS VOID.** No further or other charges shall be directly or indirectly contracted for or received by any licensee except those specifically authorized by this Act. No licensee shall divide into separate parts any contract made for the purpose of or with the effect of obtaining charges in excess of those authorized by this Act. All balances due to a licensee from any person, as a borrower, or as an endorser, guarantor or surety for any borrower or otherwise, or due from any husband or wife, jointly or severally, shall be considered a part of any loan being made by a licensee to such person for the purpose of computing charges. If any amount in excess of the charges permitted by this act is charged, contracted for, or received, except as the result of an accidental and bona fide error of computation, the contract of loan shall be void and the licensee shall have no right to collect or receive any cash advanced, charges or recompense whatsoever. Any borrower may recover the full amount of principal and charges paid by him on any contract made in violation of this section, together with a reasonable attorney fee, by action at law or in equity brought within twelve months from the date of the last payment of principal or charges on such contract.

(9) **INSTALMENT PAYMENT, CONTRACT PERIOD.** No licensee shall enter into any contract of loan under this Act in which the borrower agrees to make any scheduled repayment of the cash advance more than twenty-five (25) calendar months from the date of making such contract of loan. Every loan contract shall require payment of the cash advance and charges in instalments which shall be payable at approximately equal periodic intervals except that payment dates may be omitted to accommodate borrowers with seasonal incomes. No instalment contracted for shall be substantially larger than any preceding instalment. When a loan contract provides for monthly instalments, the first instalment may be payable at any time within forty-five (45) days of the date of the loan and the charges for the number of days in excess of thirty (30) from the date of making may be added to the scheduled amount of said instalment.

**Section 15. (a) Requirements for Making and Payment of Loans.** Every licensee shall:

1. At the time a loan is made deliver to the borrower or if there be two or more borrowers, to one of them, a copy of the loan contract, or a written statement in the English language showing in clear and distinct terms:

- (i) The name and address of the lender and one of the primary obligors on the loan;
- (ii) The date of the loan contract;
- (iii) Schedule of instalments or description thereof;
- (iv) The Cash Advance;
- (v) The face amount of the note evidencing the loan;
- (vi) The amount collected or paid for insurance, if any;
- (vii) The amount collected or paid for filing or other fees allowed by this Act;
- (viii) The collateral or security for the loan.

2. Give to the person making any such payment on account of any loan a receipt at the time such payment is made which receipt need only show the total amount of such cash payment. No receipt shall be required in the case of payments made by the borrower's check or money order, and the use of a coupon book system shall be deemed in compliance with this Section.

3. Permit the payment to be made in advance in any amount on any contract of loan at any time during the licensee's regular business hours.

4. Upon repayment of the loan in full, mark plainly every obligation and security signed by any obligor with the word "Paid" or "Cancelled," and release any mortgage, restore any pledge, and cancel and return any note and any assignment given to the licensee.

(b) Confessions of Judgment; Incomplete Instruments. No licensee shall (1) take any confession of judgment or any power of attorney running to himself or to any third person to confess judgment or to appear for the borrower in a judicial proceeding; nor (2) take any note, promise to pay that does not disclose the total amount to be repaid, a schedule of payments or a description thereof, and the agreed rate or aggregate amount of charge, nor any instrument in which blanks are left to be filled in after execution.

Section 16. Additional Security for Loans. (a) A licensee may accept as additional security for a loan, insurance written on personal property (except household goods) given as security for the loan, or, on the life of one of the principal obligors under the loan contract, or both. Such insurance must be reasonably related to the hazard or risk of the loan and must not, in the case of life insurance, exceed the term of the loan or the approximate amount of the indebtedness at any time during the life thereof. Property insurance must be written in amount reasonably related to the amount of the loan or, the value of the property and for the customary term approximating the term of the loan contract.

(b) The premiums or identifiable charge collected by a licensee or its officers, agents or employees shall not exceed the premiums or identifiable charge for such insurance as filed with and approved by the Insurance Commissioner of the State of Alabama by the Company writing such insurance, or, the customary premiums or identifiable charge for the type coverage involved.

(c) Every insurance policy or certificate written in connection with the loan transaction shall provide for cancellation of the coverage and a refund of the unearned premium or identifiable charge upon the discharge of the loan obligation for which such insurance is security, without prejudice to any claim. Such refund shall be made under a formula filed by the insurer with the Department of Insurance except no refund of less than One Dollar (\$1.00) need be made.

(d) In accepting such insurance as security for the loan, the licensee, or an employee, may deduct the premiums or identifiable

charge for such insurance from the proceeds of the loan and transmit them to the insurance company.

(e) Any gain or advantage in the form of commission or otherwise, to the licensee or to any employee, affiliate or associate of the licensee from such insurance or its sale shall not be considered an additional or further charge in connection with the loan, notwithstanding the provisions of Section 14.

(f) All such insurance shall be written by a company authorized to conduct business in this state and the licensee shall not require the purchase of such insurance from any agent or broker designated by the licensee, nor shall the licensee decline existing coverages which equal or exceed the standards of this Section.

Section 17. Loans Made Elsewhere. No loan made outside this state in the amount or of the value of one thousand dollars (\$1,000) or less for which a greater rate of interest, consideration, or charges than is permitted by Section 14 of this Act has been charged, contracted for, or received shall be enforced in this State and every person in anywise participating therein in this State shall be subject to the provisions of this Act.

Section 18. Review. In addition to any other remedy he may have, any licensee and any person considering himself aggrieved by any act or order of the supervisor hereunder may, within thirty days from the entry of the order complained of, or within sixty days of the act complained of if there is no order, petition the circuit court of Montgomery County to review such act or order; provided such petition shall be docketed, heard and tried in the same manner as any other extraordinary writs issued by the Court and a copy of the petition and order setting the same for hearing shall be served on the supervisor, giving him such notice of the time and place of the hearing as may be directed by the Court.

Section 19. Suits on Debts. In any suit filed on any debt or evidence of any indebtedness governed hereby in any court, the judge thereof shall not render any judgment by default, nil dicit or otherwise until he has heard the testimony of the licensee or of a representative of such licensee, and the judge must on his own motion interrogate such licensee or such other witness to determine whether there has been any violation of the provisions of this Act and whether any charges have been contracted for, made or received in excess of the amount allowed under this Act. If it be made to appear that the provisions of this Act have been violated or that charges in excess of those allowed have been contracted for, made or received, then the suit shall be dismissed at the cost of the plaintiff. If any such suit the plaintiff must allege that he is a licensee under this Act, and if such plaintiff is subject to this Act and fails to allege in his complaint that he is a licensee hereunder, or if it is shown to the court that he is subject to this Act and is not a licensee then the court ex mero motu shall dismiss the suit at the cost of the plaintiff. No garnishment shall issue in such suit or in connection therewith until after judgment has been rendered.

Section 20. Pre-Existing Contracts. This Act or any part thereof may be modified, amended, or repealed so as to effect a cancellation or alteration of any license or right of a licensee hereunder, provided that such cancellation or alteration shall not impair or affect the obligation of any pre-existing lawful contract between any licensee and any borrower.

Section 21. Status of Pre-Existing Licensees. Any person having a license under Act No. 159, H. 233, approved June 23, 1945, (General Acts of Alabama, 1945, page 200), as amended, in force when this Act

becomes effective, shall be deemed to have a license under this Act for a period expiring six months after the effective date hereof, if not sooner revoked. Any such license so continued in effect under the provisions of this Act shall be subject to revocation during such six months' period as provided in Section 8 of this Act; except that such license may not be revoked nor shall an application for a new license be denied upon the ground that the convenience and advantage of such community will not be promoted by the operation therein of such business.

Section 22. Records. (a) The supervisor shall cause to be kept on file in the bureau of loans, open to public inspection during business hours, an alphabetical listing of all licensees doing business in Alabama; and such list shall reveal the true ownership of the licensee companies. If the company is a corporation, the list shall indicate the name of the corporation, the address of the home office, and the names and addresses of its officers and directors.

(b) Except as provided in subsection (a) of this section, all applications, reports, and other papers and documents submitted by licensees to the supervisor or to the bureau shall be open to public inspection only upon approval of the supervisor; but the supervisor shall not deny any person access to such records when the disclosure thereof to such person is in the public interest.

Section 23. (a) Repealer. The provisions of Act No. 159, H. 233, approved June 23, 1945 (General Acts of Alabama, 1945, page 200), as amended, in conflict herewith are hereby repealed. And all other laws or parts of laws which conflict with this Act are also repealed. But such repeal shall not be considered an abolition of the bureau of loans, whose existence is hereby continued as a state agency, for the purpose of administering and enforcing this Act.

(b) Status of Pre-Existing Obligations. Nothing herein contained shall be so construed as to impair or affect the obligation of any contract of loan between any licensee under Act No. 159, H. 233, approved June 23, 1945 (General Acts of Alabama, 1945, page 200), as amended, and any borrower which was entered into prior to the effective date of this Act.

Section 24. If a part of this Act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of the Act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 25. Citation of Act. This Act shall be known and may be cited as the "Alabama Small Loan Act."

Section 26. Effective Date. This Act shall become effective 60 days after its passage and approval by the Governor, or 60 days after its otherwise becoming a law.

On motion of Mr. Gilchrist the substitute offered by Mr. Reynolds (Chambers) was laid upon the table.

**POINT OF PERSONAL PRIVILEGE**

Mr. Morrow requested as a matter of personal privilege that the Journal show that he voted "nay" through mistake on the motion of Mr. Gilchrist to lay on the table the substitute offered by Mr. Reynolds (Chambers) to the bill, H. 102, as amended, and requested that the Journal show that he desired to vote "yea".

Mr. Grant offered the following amendment to the bill, H. 102, as amended:

**TO AMEND SECTION 14 OF SUBSTITUTE HOUSE BILL NO. 102 SO THAT THE SAME WILL READ IN WORDS AND FIGURES AS FOLLOWS:**

Section 14 (a) **MAXIMUM RATE OF CHARGE.** Every licensee hereunder may contract for and receive, on any cash advanced (amount of the cash, or its equivalent, that the borrower actually receives or is paid out at his direction or on his behalf) not exceeding one thousand dollars (\$1,000) in amount, charges not in excess of twenty dollars (\$20) per year per one hundred dollars (\$100) on that part of the cash advanced not exceeding three hundred dollars (\$300); sixteen dollars (\$16) per year per one hundred dollars (\$100) on that part of the cash advanced exceeding three hundred dollars (\$300) but not exceeding five hundred dollars (\$500), and twelve dollars (\$12) per year per one hundred dollars (\$100) on that part of the cash advanced exceeding five hundred dollars (\$500) but not exceeding one thousand dollars (\$1,000) when the cash advanced is made for a period of one year, and proportionately at these rates for a greater or lesser amount within said limits or for a greater or lesser period of time, notwithstanding any agreement to repay the loan obligation in installments. Said charges and the cash advanced shall be aggregated at the date of the loan for the entire period of the loan and this aggregated amount shall be repayable in installments in the manner provided in subsection 7 of this section. For the purpose of computing charges for a fraction of a month, a day shall be considered one-thirtieth of a month.

(b) **CHARGES ON LOANS OF NINETY DOLLARS (\$90) OR LESS.** On a cash advance of ninety dollars (\$90) or less a licensee may charge, in lieu of charges specified in subsection (1) of this section, not in excess of one dollar (\$1) for each five dollars (\$5) of cash advanced to the borrower, up to the amount of ninety dollars (\$90); and a period of at least fifteen (15) days must be allowed for the repayment of each

five dollars (\$5) of the cash advanced, such charges cannot be assessed by any subterfuge or device on any loan over ninety dollars (\$90) or on any balance of ninety dollars (\$90) or less when the original cash advanced was greater than ninety dollars (\$90).

(c) **REFUND.** When any loan contract is paid in full by cash, a new loan, renewal or otherwise, one month or more before the final installment date, the licensee shall refund or credit the borrower with that portion of the total charges which shall be due the borrower as determined by schedules prepared under the rules of 78ths or sum of the digits principle as follows: The amount of the refund or credit shall be as great a proportion of the total charges originally contracted for as the sum of the periodic time balances of the contract scheduled to follow the date of prepayment bears to the sum of all the periodic time balances of the contract, both sums to be determined according to the payment schedule originally contracted for. No refund shall be required for any partial prepayment and no refund of less than one dollar (\$1) need be made.

(d) **DEFAULT OR EXTENSION CHARGES.** If the contract so provides, the additional charge for any installment past due five (5) or more days, whether by reason of default or extension agreement, may be five per cent (5%) of the installment past due and said amount may be charged once and no more.

(e) **RECORDING FEES.** The licensee may collect from the borrower the actual fees paid a public official, or agency of the State, for filing, recording or releasing any instrument securing the loan.

(f) **NO FURTHER CHARGES.** In addition to the charges herein provided for, no further or other amount whatsoever shall be directly or indirectly charged, contracted for, or received. If any amount in excess of the charges permitted by this Act is charged, contracted for, or received, except as the result of an accidental and bona fide error of computation, the contract of the loan shall be void, and licensee shall have no right to collect, receive, or retain any principal, charges, or recompense whatsoever; and the licensee and the several members, officers, directors, agents, and employees thereof who shall have participated in such violation, shall be guilty of a misdemeanor and upon conviction thereof shall be punishable by a fine of not more than five hundred dollars (\$500) and not less than one hundred dollars (\$100) or by imprisonment of not more than six months, or by both such fine and imprisonment, in the discretion of the court. Any borrower may recover the full amount of principal and interest paid by him on any contract made in violation of this section, together with a reasonable attorney fee, by action at law or in equity brought within twelve months from the date of the last payment of principal or interest on such contract.

(g) **INSTALMENT PAYMENT, CONTRACT PERIOD.** No licensee shall enter into any contract of loan under this Act in which the borrower agrees to make any scheduled repayment of the cash advance more than twenty-five (25) calendar months from the date of making such contract of loan. Every loan contract shall require payment of the cash advance and charges in instalments which shall be payable at approximately equal periodic intervals except that payment dates may be omitted to accommodate borrowers with seasonable incomes. No instalment contracted for shall be substantially larger than any preceding instalment. When a loan contract provides for monthly instalments, the first instalment may be payable at any time within forty-five (45) days of the date of the loan and the charges for the number of days in excess of thirty (30) from the date of making may be added to the scheduled amount of said instalment.

On motion of Mr. Oakley the amendment offered by Mr. Grant was laid upon the table.

Amend the bill, H. B. 102, as amended, as follows:

All licensees under this Act having more than five places of business operating under the same partnership, corporation, or individual, or as a subsidiary, whether directly or indirectly, shall pay an annual license of two thousand dollars, and all partnerships, corporations, individuals, or their subsidiaries, having ten or more places of business shall pay an annual license of five thousand dollars per additional place of business. The Senate has originated and adopted the following Senate Joint Resolution and sends same herewith to the House for its consideration.

By Mr. Crawford:

S. J. R. 21. WHEREAS, Senate Joint Resolution No. 6., creating a special joint committee to study mental health problems has heretofore been passed, and

NOW, THEREFORE, BE IT RESOLVED by the Legislature of Alabama, both houses concurring, that the time within which said committee is to make its report is hereby extended to the tenth legislative day after August 25.

#### RESOLUTION

The following resolution was introduced:

By Messrs. Goodwyn, Pierce and Adams (Tallapoosa):

H. J. R. 63. RESOLVED BY THE HOUSE OF REPRESENTATIVES OF ALABAMA, THE SENATE CONCURRING, That the attached Biennial Report of the Sixth Legislative Council be accepted by the Legislature as a compliance with Act No. 152, Regular Session 1945; that the

Clerk be ordered to file the same with the legislative papers and documents of this Session; and that 500 copies thereof be ordered printed as a legislative document for distribution to the public.

On motion of Mr. Goodwyn the rules were suspended and H. J. R. 63 was adopted.

#### BIENNIAL REPORT OF THE SIXTH LEGISLATIVE COUNCIL

On May 7, 1957, the members of the House and Senate then serving on the Legislative Council were reelected to another term on that body. At that time, the membership of the Legislative Council included Messrs. Kendall of Conecuh, Adams of Tallapoosa, Goodwyn of Montgomery, Martin of Greene, Nice of Jefferson, and Stokes of Coffee, on the part of the House, and Messrs. Engelhardt of Macon, Jones of Monroe, Tate of Coosa, and Smith of Russell, on the part of the Senate. Subsequently, however, several changes were made in the Council's membership. Mr. Kendall resigned as a member on the part of the House, and was elected a member from the Senate; Mr. Jones resigned as a member on the part of the Senate, and was elected a member from the House. Representative Paul T. (Tram) Sessions of Jefferson was selected to fill a vacancy caused by the resignation of Representative Nice; and Representative Gregory Oakley of Wilcox was elected to the Council to fill a vacancy caused by the election of Mr. Adams as Speaker of the House. Senator Ralph L. Jones served as chairman, and Representative Charles Adams served as vice-chairman, during a portion of the biennium; and on April 4, 1958, Mr. Adams was elected chairman and Mr. Kendall was elected vice-chairman. The President of the Senate and the Speaker of the House are ex-officio members of the Legislative Council.

During the period May, 1957, to May, 1959, the Legislative Council held regular and special meetings, as provided by law, and considered and acted upon various matters brought to its attention. After careful consideration of these various matters, the Legislative Council reports its recommendations to the Legislature as follows:

1. The Council recommends enactment of (1) a bill authorizing county or municipal governing bodies to install voting machines ex mero motu, without the necessity for holding a referendum on the question; and (2) the enactment of a bill to permit such a county or municipal governing body to issue warrants or certificates of indebtedness to finance the cost of installing the voting machines, also without a referendum.
2. More than a mere easement may be obtained in eminent domain proceedings. For example, a fee simple title may sometimes be condemned if needed and if the condemnor has the legal right to take it. However, Section 24 of Title 19, Code 1940, which is the statute under which orders of condemnation are framed, refers only to "the easement proposed to be acquired." The Legislative Council recommends the enactment, therefore, of a bill to amend this code section so as to refer to "the right, title, or interest proposed to be acquired" as well as "the easement." The only effect of such a bill would be to clarify the existing law. No new law would be made thereby.
3. At the present time the act of July 9, 1945, which relates to the offense of leaving the scene of an accident, does not specify the place where the accident must occur before the duty to stop and render assistance arises. The members of the Legislative Council were of the opinion that the statute ought to cover any case where a motor vehicle collides with an automobile in a private drive or roadway or in a parking lot

or in any other place in the State. The Council, therefore, recommends the enactment of a bill to amend the first section of the 1945 act, so as to make it read: "The driver of any vehicle involved in an accident anywhere in this State which results in an injury to or the death of any person or damage to another vehicle, shall immediately stop his vehicle at the scene of the accident, and shall also give his name and address and the registration license number of his vehicle, and shall render to any person injured in the accident reasonable assistance. . ."

4. The Legislative Council also recommends the enactment of a bill to amend the act of August 19, 1949, which relates to absentee voting, to make certain the time when absentee ballots must be delivered to the absentee election officials on election day for counting. At the present time, Section 11 of the 1949 act provides that the absentee election officials must meet "at the regular time of closing of the election," and Section 12 provides that the register must deliver the absentee ballots to the absentee election officials "on the morning of the day of the election." The members of the Legislative Council suggest the amendment of Section 11 to provide that the absentee election officials shall meet not later than five o'clock, p. m., on the election day, and the amendment of Section 12 to provide that the register must deliver the absentee ballots "on the day of the election."

5. The laws of 1943 and 1945 establishing the state medical college and the state dental college provided for one scholarship, in the amount of four hundred dollars a year, at each of these institutions for every county in the State. An act of 1953 provided that each beneficiary of county medical and dental scholarships must enter into an agreement with the county governing body that, upon his graduation, he will practice his profession in the county for a such a period of time, not exceeding five years, as the county governing body may prescribe. The act further stipulates, however, that a beneficiary may fulfill his agreement by practicing in a county in which the need for doctors or dentists is greater than in the county to which he pledged himself to return. The Council members understand that one result of the 1953 act is that students from the smaller counties of the State are generally not applying for such scholarships primarily because the stipend is not sufficiently attractive to cause the students, in turn, to agree to practice in the smaller counties. The Legislative Council, therefore, recommends the enactment of a bill to amend the 1953 act in such a way as to permit the recipients to receive such scholarships provided they agree to practice for not more than five years in the State of Alabama. The Council felt that such a provision would liberalize the conditions surrounding the granting of these scholarships, and would enable students from the smaller counties more readily to take advantage of the grants.

6. There is no specific limit now mentioned in the laws of this State pertaining to appeals in criminal cases tried before justices of the peace. The Legislative Council believes that the law should be made specific in this connection, and recommends the enactment of a bill to amend Section 428 of Title 13, Code of 1940, so as to require appeals to be taken in criminal cases tried in justice of the peace courts at any time within six months from the date of the judgment.

7. The Legislative Council further recommends the enactment of a bill to make Alabama's Corrupt Practices Act consistent with the laws of a majority of the other states by eliminating the requirement that candidates must file pre-election expense statements. The Council suggests that Sections 279 and 280 of Title 17, Code 1940, which relate to the filing of political campaign expense statements, be amended to eliminate reference to the pre-election statement and to provide that the post-

election statement must be filed at any time within thirty days after the election instead of fifteen days as in the existing law.

8. The Legislative Council recommends the enactment of a bill to amend further Section 12 of Title 17, Code 1940, which relates to qualifications to vote, to change the statutory residence requirements for voting to two years in the State, and one year in the county, in accordance with the provisions of Section 178 of the Constitution, as amended.

9. Under the present law, a defendant against whom judgment is rendered in a bastardy proceeding is required to enter into a bond in the sum of one thousand dollars, conditioned to pay the cost of the proceeding and such sum, not exceeding one hundred dollars each year for a period of ten years, as the court may prescribe for the support and education of the child. For the enforcement of the judgment, the law of garnishment applies. If the defendant fails or refuses to give bond, the court must enter judgment against him for such sum as, at legal interest, will produce the amount directed to be paid yearly, and he must be sentenced to hard labor for the county for one year. The Legislative Council, however, recommends the enactment of a bill further defining the obligations of the father to a child born out of wedlock and requiring the father to provide the child with necessary support, maintenance, and education. The Council suggests that, once paternity has been established, the court should enter judgment against the defendant for the costs and for annual amounts, not exceeding five hundred dollars a year, as the court may deem just, reasonable, and necessary for the proper support, maintenance, and education of the child, taking into consideration the father's obligation and his ability to pay. The payments would be made at such intervals as the court might prescribe, and should continue until the child become eighteen years of age. The court should be given continuing jurisdiction over the father and the judgment until the judgment is satisfied in full. The annual amounts fixed by the judgment could be increased or decreased by the court, after notice and hearing, as circumstances may warrant. The judgment of the court could be enforced in the same manner as provided by existing laws; but, in addition, any person who wilfully violates the terms of any court order issued under the authority of the law would be guilty of contempt of court, and subject to punishment as prescribed by law.

10. The Legislative Council also recommends the enactment of legislation making it unlawful to manufacture, possess, display, offer, sell, lend, give away, or purchase any knives of the kind commonly known as "switch blade" knives. The Council further recommends that all knives outlawed by the act should, within a prescribed period of time, be surrendered to chiefs of police or county sheriffs.

11. The Legislative Council believes that a thorough study should be made of Alabama's election laws; and therefore recommends the passage of a joint resolution directing the Council to study the laws of this State relating to elections and the conduct of elections, including registration laws, with a view toward the preparation of an election code embodying such revision of the State's election and registration laws as will provide a modern, efficient system of election and registration administration for Alabama.

One of the recommendations of the 1956-57 interim committee on municipal government was that the Legislative Reference Service be directed to review the statutes, decisions, and opinions relating to the conduct of municipal elections and prepare the bills necessary for the enactment of a comprehensive, clear, and harmonious municipal election

law. The staff of the Legislative Reference Service drafted the legislation necessary to carry out this recommendation of the interim committee on municipal government, and the Legislative Council considered these drafts from time to time during the biennium. The draft legislation was submitted to the Alabama League of Municipalities and the office of the Attorney General, with the request that they study such drafts and advise the Council what changes they wanted, if any, in the proposed legislation.

Ultimately, five separate bills relating to the conduct of municipal elections was prepared. One of the bills prescribed procedure for holding a municipal election in cities in towns in the State having a mayor-council form of government; one prescribed the procedure for cities and towns having a commission form of government; one authorized and prescribed the procedure for holding a primary election for the purpose of nominating candidates for municipal offices; one authorized and provided for holding advisory referendums on questions of municipal government; and one amended several sections of Article 6, Chapter 1, of Title 17, Code 1940, to provide that each municipality in the State shall constitute a voting precinct, which may be subdivided for election purposes into wards by the municipal governing body. The purpose of the latter bill is to eliminate difficulties in preparing an accurate list of qualified electors of a municipality which arise when a voting precinct of the county is composed of lands lying both within and without the city. These bills were approved by the Council and were transmitted to Subcommittee "A" of the Interim Committee on Revision of Laws for their consideration.

When the legislative interim committee on Macon County filed its report with the Legislative Council, for transmission to the Legislature, the committee requested the Council to cause to be drafted appropriate legislation creating a permanent "Macon County Committee," to consist of the representatives from the counties of Montgomery, Elmore, Tallapoosa, Lee, Russell, Bullock, and Macon, along with the senators from the twenty-eighth, tenth, twenty-seventh, and twenty-sixth senatorial districts. In accordance with this request, the Legislative Council directed the Legislative Reference Service to prepare the legislation necessary to implement this recommendation. A resolution creating a "Macon County Standby Committee" was prepared by the Legislative Reference Service, and was approved by the Legislative Council for transmission to the Legislature.

At the time the interim committee on insurance filed its report with the Legislative Council, a proposed new insurance code for Alabama was submitted in bill form and was ready for introduction in the Legislature. The proposed new insurance code was duly transmitted to the Legislature.

The Legislative Council and the Legislative Reference Service further report that during the biennium beginning May 1, 1957, and ending April 30, 1959, the Legislative Reference Service undertook for the Council, legislative committees, individual legislators, the Governor's office and other state agencies and departments, public bodies, civic groups, and others, a total of 967 different recorded requests for research, reference, or bill drafting service. During the biennium under consideration, this work was accomplished with a staff consisting of the director, from three to four professional employees, and four stenographic and clerical employees. The cost of the service provided by the Legislative Reference Service is shown in the following table.

It shall be a violation of this section to divide or otherwise adjust the quantity of a purchase to an amount less than three hundred dollars for the purpose of evading the requirements of this section. Invitations for bids shall be posted on a bulletin board in the county courthouse at least ten days prior to the meeting at which the purchase is to be made. If the amount of the proposed purchase or the proposed contract is in excess of three hundred dollars, written notice by registered mail, with return receipt requested, shall be given to at least three merchants or dealers in the goods or materials to be purchased, or where notice is of a contract to be let, to at least three contractors engaged in the type of work contemplated. A copy of such notice or notices, together with the return receipts showing their delivery, must be recorded in and shall become a part of the minutes of the court of county commissioners, board of revenue, or other like county governing body.

All bids received on proposed purchases or contracts shall be opened publicly at the time and place stated in the invitation to bid. The contract or order shall be awarded to the lowest responsible bidder, or all bids may be rejected and the purchase or contract renegotiated when the public interest will be served thereby. The purchasing agent shall obtain information from the Division of Purchases and Stores of the State Department of Finance relative to the items to be purchased by competitive bids; and if the state price is less than the lowest bid received, and if the delivery date is reasonable, all bids shall be rejected and the purchase shall be negotiated through the State Purchasing Agent. All bids, with the names of the bidders, shall be entered on a permanent record. Each record, with the successful bid indicated thereon, and with the reason for the award if not awarded to the lowest bidder, shall, after the award be open to public inspection. In the event of a sale, trade, or other disposition of any property of the county of any nature or kind the procedure as outlined herein as it relates to the obtaining of written, sealed, competitive bids shall be followed, and such sale, trade, or disposition of the property of the county shall be made in accordance with the most advantageous offer made.

Section 3. In an emergency a purchase may be made without competitive bids and without obtaining information from the Division of Purchases and Stores. However, a full written account of the circumstances necessitating any such emergency purchase, together with a statement describing the item purchased and naming the vendor from

whom the item was purchased, shall be at once prepared by the purchasing agent and filed in his office. An emergency, as the term is used herein, means a situation where needed equipment of the county is idle due to lack of parts, supplies, or repairs therefor, or when materials or supplies are immediately needed to place in operating condition the road or bridge system of the county which has become impassable or dangerous due to damage or destruction of existing portions thereof. The records of such emergency transactions shall be open to public inspection. The provisions of this Act regarding competitive bidding and obtaining information from the State Purchasing Agent may be waived for purchases of perishable commodities, utility services, machinery repairs, and commodities or services for which there is no competitive situation.

Section 4. In making purchases for the county the purchasing agent shall give preference to commodities produced or sold in Autauga County, provided there is no sacrifice or loss in prices or quality.

Section 5. Whoever purchases or disposes of, or attempts to purchase or dispose of property for or on behalf of Autauga County contrary to the provisions of this Act, or whoever violates any provision of this Act, is guilty of a misdemeanor and upon conviction shall be fined not less than one hundred nor more than one thousand dollars, and in addition may be imprisoned in the penitentiary for one year and one day.

Section 6. The court of county commissioners, board of revenue, or other like county governing body of Autauga County shall provide the purchasing agent with the quarters, supplies, books, equipment, postage, and assistance necessary for the proper and efficient conduct of his duties.

Section 7. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 8. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

A BILL  
TO BE ENTITLED  
AN ACT

Relating to and providing for purgation of voter lists in Coffee County; requiring the reidentification of qualified electors of the county; imposing certain duties in this respect on voters, the registrars of the county, the probate judge, the county governing body, election officials, and persons who are required by law to prepare and file death certificates; prescribing penalties.

Be It Enacted by the Legislature of Alabama:

Section 1. The board of registrars of Coffee County is hereby directed to purge all lists of the qualified electors in the county to the end that the names of all persons who are deceased or non-residents of the county, or have otherwise become disqualified from voting in Coffee County, shall be removed from such lists, and that the name of each qualified elector shall appear only on the list of qualified electors for the beat in which he resides.

Section 2. The board of registrars shall omit and remove from the lists of qualified electors in the county the name of any person who fails to reidentify himself, in the manner prescribed herein, before the first day of January, 1961; provided that no one who has registered as a qualified elector of the county since January 1, 1959, shall be required to reidentify himself. No person whose name is removed from the list of qualified electors as herein provided shall cease permanently to be a qualified elector nor be subject to re-registration, but shall be subject only to the requirement that he reidentify himself as a duly registered elector before being listed on the list of qualified electors in the county, and before being entitled to vote.

Section 3. A voter may reidentify himself in any one of the following ways:

(a) A voter may reidentify himself by appearing in person at the office of the board of registrars or the judge of probate or one of the authorized employees of the judge of probate and answering such questions and submitting such proof as may be set forth hereinafter to establish the voters identity and place of legal residence and that the voter has not been disqualified from voting in the county.

(b) As a further aid to reidentification, prior to the first day of January, 1961, the board of registrars of Coffee County is hereby authorized, directed, and required to visit each beat in the county at least once, and more often if necessary, and remain there at least one day from nine o'clock in the morning until five o'clock in the afternoon, for the purpose of enabling qualified and registered voters residing in the beat to appear before the board and reidentify themselves. The board shall give at least ten (10) days notice, by advertisement in a newspaper published in the county, of the time when, and the place in the beat where, they will attend for the purpose of enabling voters to appear and reidentify themselves. Upon failure to give such notice, or to attend any appointment made by them in any beat, they shall, after like notice, fill new appointments. The board shall remain in session in each beat for such times as the boards deems necessary to enable the qualified electors of such beat to appear and reidentify themselves in the manner prescribed herein. No voter shall appear and reidentify himself at any place except in the beat in which he resides or in the courthouses of the county.

(c) A voter who is on active duty in the Army, Navy, or Air Force of the United States or the husband or wife of a member of the Armed Forces on active duty, may also reidentify himself or herself by filling in and mailing to the office of the judge of probate, for transmittal to the board of registrars, the completed answer to such questions as set forth in the questionnaire hereinafter detailed, and the questionnaire must be witnessed by a commissioned officer of the Army, Navy, or Air Force.

Provided, that where any used automotive vehicle or truck trailer or semi-trailer is taken in trade, or in a series of trades, as a credit or part payment of the sale of a new or used vehicle, the tax levied herein shall be paid on the net difference, that is, the price of the new or used vehicle sold less a credit for the used vehicle taken in trade.

5. An excise tax is hereby imposed on the storage, use or other consumption in Greene County of tangible personal property purchased

at retail on or after the first day of October 1959, for storage, use or other consumption in Greene County at the rate of three per cent of the sales price of such property, except as otherwise provided as follows:

(a) An excise tax is hereby imposed on the storage, use or other consumption in Greene County of any machine used in mining, quarrying, compounding, processing and manufacturing of tangible personal property, including the parts of such machine, attachments, and replacements therefor which are made or manufactured for use on or in the operation of such machines, purchased at retail on or after the first day of such machines, purchased at retail on or after the first day of October 1959, for storage, use or other consumption in Greene County, at the rate of one-half of one percent of the sales price of such machines or the parts, attachments, or replacements therefor.

(b) An excise tax is hereby imposed on the storage, use or other consumption in Greene County of any automotive vehicle or truck trailer and semi-trailer purchased at retail on or after October 1, 1959, for storage, use or other consumption in Greene County, at the rate of one-half of one percent of the sales price of such automotive vehicle, truck trailer or semi-trailer. Where any used automotive vehicle or truck trailer or semi-trailer is taken in trade, or in a series of trades, as a credit or part payment on the sale of a new or used vehicle, the tax levied herein shall be paid on the net difference, that is, the difference of the price of the new or used vehicle sold less a credit for the used vehicle taken in trade.

The taxes levied by this Act shall be subject to all definitions, exemptions, proceedings, rules, regulations, requirements, fines, penalties, punishments, and deductions as are provided in Act No. 100, H. 94, approved August 18, 1959, effective October 1, 1959, the state sales tax law, and Article 11, Chapter 20, Title 51, Code of Alabama, 1940 as amended, and all acts supplementary thereto, except where inapplicable or where herein otherwise provided, all of which are adopted and made a part hereof by reference, including the provisions for the enforcement and collection thereof. The tax levied herein shall be added to the sales price of property sold, and shall be collected from the purchaser, so that the impact of the tax will be on the consumer rather than on the retailer.

Every person storing, using, or otherwise consuming in Greene County any tangible personal property purchased at retail shall be liable for the tax imposed by paragraph 5, above, and the liability shall not be extinguished until the tax has been paid; provided, however, that a receipt from a retailer maintaining a place of business in the county showing the payment of the tax shall be sufficient to relieve the purchaser from further liability for a tax to which such receipt may refer.

Section 2. The taxes levied by this Act shall be collected by the Department of Revenue of the State of Alabama, at the same time and along with the collection by that department of taxes levied and collected for the State of Alabama under the provisions of Act No. 100, H. 94, approved August 18, 1959 and Article 11, of Chapter 20, Title 51, Code of Alabama (1940), and all acts amendatory thereof or supplementary thereto, and all reports now required to be made to the Commissioner of Revenue shall, on the request of the Department of Revenue, be available for inspection by the chairman of the Greene County, Alabama Board of Education, or his designated agent, at reasonable times during business hours. The State Department of Revenue shall prepare and distribute such reports, forms, and other information as may be necessary for the collection of the county taxes levied by this Act, and shall have all the authority and duties in connection with such taxes as are now given

by law to the Department of Revenue or the commissioner of Revenue in connection with the collection of the state sales and use taxes provided for by Act No. 100, H. 94, approved August 18, 1959 and Article 11, of Chapter 20, Title 51, Code of Alabama (1940), and all acts amendatory thereof or supplementary thereto. It shall be the duty of the Commissioner of Revenue to pay into the State Treasury all taxes collected under this Act; and on or before the first day of the following month, the Commissioner shall certify to the State Comptroller the amount of special taxes collected under the provisions of this Act for the use and benefit of Greene County Board of Education during the calendar month immediately preceding the month of making such certificate. Whereupon, it shall be the duty of the Comptroller to issue his warrant on the State Treasury, payable to the custodian of the public school funds of Greene County, in his official capacity; in an amount equal to the amount so certified by the Commissioner of Revenue as having been collected for the use of Greene County Board of Education and paid into the State Treasury. The County Board of Education of Greene County shall use all revenue arising from the taxes herein levied exclusively and solely for acquiring, providing, or constructing school houses and related buildings necessary or convenient for public school purposes, and equipping, furnishing, or repairing any such buildings, and acquiring sites therefor, or for other capital outlay purposes for public schools within Greene County, Alabama.

Section 3. The Department of Revenue shall charge Greene County Board of Education for collecting the special taxes levied by this Act such amount or percentage of total collections as may be agreed upon by the Commissioner of Revenue and the Greene County Board of Education, but such charge shall not, in any event, exceed two per cent of the total amount of special county taxes collected hereunder within the county. Such charge for collecting the special taxes shall be deducted once each year from the special sales and special use taxes collected in the month of September of each year before certifying the amount of special sales and special use taxes due Greene County Board of Education for that month. The Department of Revenue shall have full authority to employ such special counsel as it deems necessary from time to time to enforce collection of the taxes levied by this Act, and otherwise to enforce the provisions of this Act, including any litigation involving the Act, and the Department of Revenue shall pay such special counsel such fees as it deems necessary and proper from the proceeds of the taxes collected by it for the county.

Section 4. The taxes levied by this Act, together with the interest and penalties which are authorized herein, shall be a lien upon the property of any person, firm, or corporation liable for taxes under the provisions of this Act, and all of the provisions of the revenue laws of the State of Alabama applying to or relating to the enforcement of liens for license taxes due the State of Alabama shall apply fully to the collection of taxes levied by this Act. The taxes levied by this Act shall be in addition to all other licenses and taxes levied by law as a condition precedent to engage in any business taxable hereunder in Greene County.

Section 5. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 6. This Act supersedes Act No. 24, H. 15, approved February 20, 1959, which is hereby repealed. Provided, however, that this Act does not affect rights and liabilities that matured, penalties that were incurred, and proceedings that were begun under said Act No. 24 before the effective date of this enactment.

Section 7. This Act shall take effect October 1, 1959.

A BILL  
TO BE ENTITLED  
AN ACT

To amend further Section 254 of Title 13, Code of Alabama (1940), which relates to the appointment and compensation of deputy circuit solicitors of the thirteenth judicial circuit.

Be It Enacted by the Legislature of Alabama:

Section 1. Section 254 of Title 13, Code of Alabama (1940), as amended, is amended further to read as follows:

"Section 254. The circuit solicitor of the thirteenth judicial circuit may appoint four deputies or assistant solicitors, who shall be appointed and serve in lieu of all other deputy circuit solicitors heretofore provided for by law. The four deputy circuit solicitors or assistants herein provided for shall serve at the pleasure of the circuit solicitor, and each shall be assigned a numbered position and receive compensation as follows:

"(a) Deputy No. 1 may serve either full time or part time, as the solicitor may determine. If the deputy serves full time he is entitled to an annual salary of eight thousand four hundred dollars, six thousand dollars of which shall be paid from the state treasury and the remainder shall be paid by the county; but if he only serves part time, he is entitled to an annual salary of six thousand dollars, all of which shall be paid from the state treasury.

"(b) Deputy No. 2 may serve either full time or part time, as the solicitor may determine. If the deputy serves full time he is entitled to an annual salary of seven thousand two hundred dollars, four thousand eight hundred dollars of which shall be paid from the state treasury and the remainder shall be paid by the county; but if he serves only part time, he is entitled to an annual salary of four thousand eight hundred dollars, all of which shall be paid from the state treasury.

"(c) Deputy No. 3 shall serve part time only and is entitled to a salary of three thousand six hundred dollars a year, of which three thousand dollars shall be payable from the state treasury and the remainder shall be paid by the county.

"(d) Deputy No. 4 shall serve part time only and is entitled to a salary of three thousand dollars a year, one thousand eight hundred dollars of which shall be paid from the state treasury and the remainder shall be paid by the county.

"The salaries of the deputy solicitors herein provided for shall be paid in equal monthly installments on warrants drawn in the manner prescribed by law. When any deputy of the solicitor serves part time only, he shall not be subject to the restrictions against practicing law prescribed by subsection 12 of Section 229 of this title."

Section 2. Provided that should the Circuit Solicitor of the Thirteenth Judicial Circuit elect to fill the positions of the Deputy Solicitor No. 1 and Deputy Solicitor No. 2 with full time deputy solicitors, then the position of deputy solicitor No. 4 shall not be filled, but shall remain vacant so long as both positions 1 and 2 are filled with full time men.

Section 3. This Act shall become effective on the first day of October, 1959.

And the substitute was adopted.

#### A BILL TO BE ENTITLED AN ACT

To require and to regulate the administration of a school construction program by the Board of School Commissioners of Mobile County; to require the Board of School Commissioners of Mobile County to make an additional annual appropriation for capital outlay purposes; to require a portion of such appropriation to be used as cash outlay and a portion thereof to be used to retire the principal of and interest on capital outlay bonds or warrants to be issued by such board; and to prescribe certain priorities and conditions in accordance with which the construction program shall be undertaken.

Be It Enacted by the Legislature of Alabama:

Section 1. The Board of School Commissioners of Mobile County shall expend annually the sum of two million five hundred thousand dollars (\$2,500,000) over and above (or in addition to) the sum now applied to debt service by such board, to finance needed school construction in the county; and such board shall continue to make the appropriation of the additional sum herein required until, in its discretion, the needs of the county for school construction shall have been adequately met. The additional sum herein required to be appropriated each year for purposes of capital outlay shall be appropriated from funds other than state funds apportioned and allocated to Mobile County under any program of state school aid provided for by law.

Section 2. Of the additional sum of two million five hundred thousand dollars (\$2,500,000) required by this act to be appropriated annually for capital outlay purposes, the sum of one million dollars (\$1,000,000) shall be used by the board each year to retire capital outlay bonds, or warrants which the board shall issue, in accordance with the provisions of law relative thereto, in a principal amount which, along with the interest thereon, may be retired by such annual appropriation of one million dollars (\$1,000,000). The remaining one million

None of the appropriation required by this act to be made each year by the Board of School Commissioners of Mobile County for cash outlay, and none of the proceeds of any bonds or warrants issued hereunder for purposes of capital outlay, shall be expended by the board for gymnasiums, auditoriums, or other auxiliary buildings, except in connection with the construction of new senior high schools. The construction of all buildings constructed under the building program provided for by this act shall be of the most economical materials and methods compatible with the safety and welfare of the occupants. In the event any proration of state funds causes a reduction in the amount of state school funds apportioned and allocable to Mobile County, the Board of School Commissioners of Mobile County may reduce the amount herein required to be appropriated each year as cash outlay for school construction by the amount of the reduction in state funds receivable by the county caused by the proration of such state schools funds.

Section 4. This act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law; and shall apply to the fiscal year commencing on October 1, 1959, and each fiscal year thereafter, until the additional appropriation contemplated herein ceases to be made, as provided in this act.

Every person, firm, or corporation engaged in any business upon which the tax levied in this section is imposed shall add the tax herein levied to the sales and admission price with respect to which the said tax is levied and shall collect the same from the purchaser."

Section 3. Section 4 of Act No. 56 of the Regular Session of the Legislature of Alabama of 1953, approved June 3, 1953 (Acts of Alabama, Regular Session 1953, Page 76), being an Act levying additional privilege or license taxes in Tuscaloosa County, is hereby amended to read as follows:

"Section 4. Levy of Use Tax.

(a) An excise tax is hereby imposed on the storage, use or other consumption in the county of tangible personal property purchased at retail on or after the 1st day of October, 1959, for storage, use or other consumption in the county at the rate of one per cent (1 per cent) of the sale price of such property, regardless of whether the retailer who made the sale is or is not engaged in business in the county, except as provided in subsections (b) and (c) of this section.

(b) An excise tax is hereby imposed on the storage, use or other consumption in the county of any machines used in mining, quarrying, compounding, processing and manufacturing of tangible personal property, including the parts of such machine, attachments, and replacements therefor which are made or manufactured for use on or in the operation of such machine, purchased at retail on or after the 1st day of October, 1959, for storage, use or other consumption in the county, at the rate of one-half of one per cent ( $\frac{1}{2}$  of 1 per cent) of the sales price of such machine or the parts, attachments, or replacements therefor.

Every person storing, using or otherwise consuming in the county tangible personal property purchased at retail shall be liable for the tax imposed by this section, and the liability shall not be extinguished until the tax has been paid; provided, however, that a receipt from a retailer maintaining a place of business in the county, showing that

the property in question was purchased at retail from such retailer, and the tax levied in Section 3 hereof has been paid with respect to the purchase at retail of such property shall be sufficient to relieve the purchaser from further liability for a tax under this section with respect to the use, storage or consumption of such property. Each exemption provided for in the state use tax statutes, as amended by Act No. 99 of the 1959 Special Session of the Legislature of Alabama, approved 18 August 1959, and as they may from time to time hereafter be amended, shall, during the period of time when such exemption shall be effective in said statutes, be applicable to the tax levied in this section; provided that in the event of the repeal of the state use tax statutes, as at any time amended, the exemptions effective therein immediately prior to any such repeal shall thereafter be applicable to the tax levied in this section. All provisions and procedures with respect to the filing of returns, collections and payment of taxes, keeping of records, making of reports, determination of the amount of the tax due, penalties, assessments, notices, examinations of taxpayers and their books provided in the state use tax statutes, as hereafter amended, with respect to the tax levied in those statutes shall be applicable to the tax levied in this section excepting, however, the procedure for appeals from assessments, and such appeals shall be made as hereinafter set forth; provided, however, that any procedure or provision involving the State Department of Revenue which is incorporated herein by reference to the state use tax statutes shall be deemed to apply with respect to the tax levied in this section, to the tax board."

Section 4. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not effect the part which remains.

Section 5. This Act shall take effect October 1, 1959.

Local Legislation No. 1.

Notice and Proof H. 805:

**A BILL  
TO BE ENTITLED  
AN ACT**

To levy in Walker County a county license tax, in addition to all other taxes or licenses now required by law, on each package of cigarettes sold, stored, or received, for the purpose of distribution to any person, firm, corporation, club, or association within the county; to provide for the payment of the tax by the purchase and sale of stamps to be affixed to each package of cigarettes sold or distributed in such county; to provide for the ascertainment, collection, payment, distribution and use of such license tax and for the enforcement of this Act; and to prescribe penalties and fix the punishment for violations of the Act.

**Be It Enacted by the Legislature of Alabama:**

Section 1. This Act shall apply only in Walker County, and shall not have the effect of altering or repealing in any manner any statute now in effect, but shall be in addition to and cumulative of all laws now in effect.

Section 2. Unless the context clearly indicates a different meaning, the following words and phrases whenever used in this Act shall have the meanings respectively ascribed to them in this section. (a) The term "person" means and includes every natural person, firm, corporation, club, partnership, company, trustee, agency, or association, or any agent, servant, employee, or officer thereof, singular or plural. (b) The term "wholesale dealer" and "jobber" means and includes any person who sells or delivers within Walker County, at wholesale only, cigarettes to licensed retail dealers for the purpose of resale. (c) The term "retail dealer" means and includes every person, other than a wholesale dealer, who sells or delivers within Walker County any cigarettes and all persons operating under a retail dealer's license. (d) The term "dealer" means any wholesale or retail dealer as herein defined. (e) The term "storer" means any person who ships or causes to be shipped or receives cigarettes in Walker County, who stores the same in any manner and uses the same for any purpose other than for resale or reshipment outside the county. (f) The term "stamps" means the stamp or stamps by use of which the tax levied by this statute is paid. (g) The term "sale" means and includes any transfer of title or possession, or both, exchange or barter, conditional or otherwise, in any manner or by any means whatsoever, or for a consideration, or any agreement therefore including rewards, prizes, or premiums, of cigarettes given as a result of operation on punch boards, shooting galleries, or any other activity.

Section 3. In addition to all other taxes now imposed by law, every person who sells, stores, or delivers cigarettes in Walkey County shall pay a license tax to the county, and a license tax is hereby fixed, created and levied in the amount of one cent (0.01) on each package of cigarettes containing not more than 20 cigarettes and one cent (\$.01) for each additional 20 cigarettes or fractional part thereof in such package sold, stored, or received for the purpose of distribution or sale to any person, firm, corporation, club, or association within such county; provided, however, that when the additional license tax hereby required to be paid shall have been paid by a wholesaler or seller of cigarettes such payment shall be sufficient, the intent being that such license tax hereby required to be paid shall be paid but once on each package of cigarettes. The tax levied by this Act shall be paid through the use of stamps as herein provided.

Section 4. Every person, firm, corporation, club, or association that sells or stores or receives for the purpose of distribution any cigarettes shall add the amount of the license or privilege tax levied and assessed herein to the price of the article, it being the purpose and intent of this provision that the tax levied is in fact a levy on the consumer with the person, firm, corporation, club, or association who sells or stores or receives for the purpose of distributing the cigarettes acting merely as agent of the county for the collection of the tax. The dealer, storer, or distributor shall state the amount of the tax separately from the price of the cigarettes on all price display signs, sales or delivery slips, bills and statements which advertise or indicate the price of the cigarettes. It shall be unlawful for any dealer, storer, or distributor engaged in or continuing within the county in the business for which the tax is herein required, to fail or refuse to add to the sales price and collect from the purchaser the amount due by the taxpayer on account of the tax herein provided or to refund or offer to refund all or any part of the amount collected or to absorb or advertise directly or indirectly the absorption of the tax or any portion thereof. Any person, firm, corporation, club, or association violating any of the provisions of this section shall be guilty of a misdemeanor, and upon conviction shall be fined not more than one hundred dollars (\$100.00) or imprisoned in the county jail for not more than sixty days, or by both such fine and imprisonment; and each act in violation of this section shall constitute a separate offense.

Section 5. The court of county commissioners, board of revenue, or other governing body of the county is hereby authorized and directed to have prepared and purchased stamps suitable for denoting the tax on cigarettes. The stamps shall be delivered to the probate judge of said county, who shall keep on hand for sale an adequate quantity of stamps to be affixed to each package of cigarettes. The expense of purchasing the necessary stamps for the county shall be paid, in the first instance, from the general funds of the county. However, the county general fund shall be reimbursed for such expense, from the proceeds of the tax levied by this Act, as provided in Section 10 hereof. Each stamp shall have inscribed thereon the words "Walker County Cigarette Tax", but such words need not be arranged in the foregoing order and may be abbreviated. Said stamps may be sold to the wholesale dealer by the probate judge at the reduced price of ninety percent of the full amount thereof, the reduced price from the full amount representing compensation to the wholesale dealer for the labor of affixing them to each package of cigarettes. All other persons except such wholesale dealers must pay the full amount of the stamps.

Section 6. Before any cigarettes shall be sold or delivered within the limits of the county by any wholesaler or dealer, such wholesaler or dealer shall affix to each package of cigarettes a stamp or stamps ob-

tained from the probate judge of the county in the amount set out in this Act in payment of the license taxes imposed by this statute. Every dealer shall within one hour after the receipt of any cigarettes within the county, unless sooner offered for sale, cause stamps in the requisite amount of the tax to be affixed, as herein above stated and cause the same to be cancelled by writing or stamping across the face of each stamp a registered number furnished such dealer by the probate judge of the county. After such stamping has been begun it shall be continued with reasonable diligence by such dealer until all the unstamped cigarettes have been stamped and the stamps cancelled as herein provided, but no stamps required to be affixed to any package or cigarettes shall, after the same has been affixed as herein provided, be again used in payment of any part of the tax levied under this statute. Such stamp shall be affixed to each individual package of cigarettes in such a manner that its removal will require continued application of water or steam; and in such a way that the stamp will be torn in two or mutilated when such package is opened.

Section 7. Every wholesale dealer shall at the time of selling and delivering any cigarettes into the county make a true duplicate invoice of the same which shall show full and complete details of the sale and delivery of such cigarettes and shall retain the same subject to the use and inspection of the license inspector or his duly authorized deputy for a period of three years. Wholesale and retail dealers shall also keep a record of the purchase, sale, exchange, and receipt of all cigarettes and hold all books, records, cancelled checks, and all other memoranda pertaining to such purchase, sale, exchange, and receipt for the period mentioned herein subject to the inspection of the license inspector or his duly authorized deputy at all reasonable times. Any person who purchases and receives, in any manner whatsoever, any cigarettes which do not have affixed a stamp required by this statute shall within three (3) days after receipt of such cigarettes report the receipt and purchase of same to the license inspector, giving the date of purchase or receipt, the name of the person or firm from whom purchased or received, and a list describing the brand and quantity of cigarettes so purchased or received. Such report must be made by registered or certified mail or in person. It shall be unlawful for any person to interfere with or obstruct the license inspector or his deputy.

Section 8. Among others the following acts and omissions shall be unlawful: (a) It shall be unlawful for any person required by this statute to affix stamps to cigarettes to fail to affix such stamps or to fail to cancel stamps in the manner or within the time required by this statute (b) It shall be unlawful for any person to sell, offer for sale, or deliver within the county any cigarettes to which stamps have not been affixed and cancelled as provided by this statute. (c) It shall be unlawful for any person to have in his possession or under his control a package of cigarettes not properly stamped as required by this Act for more than six hours after receipt of such cigarettes on the premises of such person, provided that this subsection shall not apply to cigarettes in the possession of wholesale dealers or jobbers kept for the purpose of resale or reshipment outside this county and which cigarettes are actually so resold or reshipped. (d) It shall be unlawful to manufacture, buy, sell, offer for sale, or possess, or attempt any reproduction or counterfeit of the stamps provided for in this statute or to possess tools, implements, instruments, or materials of any kind necessary or appropriate to reproduce or counterfeit such stamps or to alter or cause to be altered any stamps herein provided for. (e) It shall be unlawful to remove from a package of cigarettes or otherwise prepare any stamp with intent to use or cause the same to be used after it has already been used; to buy, sell or offer for sale any such stamp to any

person or to have in possession any such washed, removed, restored, or altered stamp, or, for the purpose of indicating the payment of any tax hereunder, to reuse any tax stamp which has heretofore been used for the payment of any tax provided in this Act, or, except as to the probate judge, to sell any stamp provided for herein. (f) It shall be unlawful to reuse or refill with cigarettes any package from which cigarettes theretofore tax paid have been removed.

Section 9. (a) None of the provisions of this Act shall be applied in such manner as to be in violation of the commerce or other clauses of the federal or state constitutions (b) This statute shall not be construed to apply to cigarettes stored by a wholesale dealer for the purpose of resale or reshipment outside Walker County which are actually so resold or reshipped.

Section 10. The license tax required to be paid by this Act through the purchase of tobacco stamps from the probate judge shall be received by him and shall be paid by him into a separate fund in the county treasury. All the proceeds of this tax, less the amounts which the probate judge shall from time to time deduct herefore and pay into the general fund of the county, to reimburse the general fund for expenses incurred in purchasing the required stamp, shall be used exclusively for the purpose of providing hospital care and treatment for indigent residents of the county, or for the purpose of matching any state or federal funds made available for use in providing hospital care and treatment for indigent residents of Peoples Hospital or for the purpose of matching any federal funds which may be made available for the equipping, alteration, expansion, enlargement, improvement, or operation of the hospital.

Section 11. Any person violating any of the provisions of this Act, or doing any act made unlawful by the terms of this Act, shall upon conviction, be punished by a fine of not more than five hundred dollars (\$500.00) and may also be confined in jail for not exceeding six months, either or both. It shall be the duty of the license inspector to enforce the provisions of this Act and to check the records of any person subject to the license tax imposed by this Act.

Section 12. The provisions of this Act are severable. If any part is declared unconstitutional or invalid such declaration shall not affect the part which remains.

Section 13. This Act shall become effective Oct. 15, 1959 upon its passage and approval by the Government, or upon its otherwise becoming a law.

H. 328. To provide supernumerary circuit solicitors of the State of Alabama; to provide the conditions under which a circuit solicitor may become a supernumerary circuit solicitor; to prescribe the qualifications, duties, powers, authority, compensation, method of removal from office of such supernumerary circuit solicitors; to provide for filling vacancies created by a circuit solicitor becoming a supernumerary circuit solicitor; to provide for reimbursement to such supernumerary circuit solicitors their reasonable expenses incurred for travelling on official business in counties other than that of their residence, and to appropriate funds for the payment of compensation and expenses of such supernumerary circuit solicitors.

As amended, was again taken up.

Messrs. Shumate, Jenkins and Cabiness offered the following amendment to the bill, H. 328, as amended:

#### AMENDMENT TO H. B. 328

Strike out Section 12 of the bill and substitute therefor a new Section 12 to read:

Section 12. This Act shall have no effect unless it is first approved by a majority of the qualified electors of the state who vote thereon in a referendum election to be held on the same day as the next election on proposed constitutional amendments. Such referendum election shall be held and conducted in the same way, according to the same procedures, and by the same officers as the election on such constitutional amendments. If a majority of the voters voting in the referendum election approve the Act, it shall become effective immediately upon the ascertainment and proclamation of the results of the referendum. The question to be printed on the ballots to be used in the election shall be stated substantially as follows: Do you approve the Act passed by the Legislature of Alabama providing for supernumerary solicitors? Yes ( ) No ( ).

The motion of Mr. Hocklander to lay on the table the amendment offered by Messrs. Shumate, Jenkins and Cabiness was lost.

Section 2. Effective on the first day of the month succeeding the month during which this Act becomes a law, there is hereby levied in Chilton County, in addition to all other taxes of every kind now imposed by law, and shall be collected as herein provided, a privilege or license tax against the person on account of the business activities and in the amount to be determined by the application of rates against gross sales, or gross receipts, as the case may be, as follows:

1. Upon every person, firm or corporation engaged or continuing within Chilton County in the business of selling at retail any tangible

personal property whatsoever, including merchandise and commodities of every kind and character (not including, however, bonds or other evidence of debt or stocks), an amount equal to one percent of the gross proceeds of sales of the business except where a different amount is expressly provided herein. Any person engaging or continuing in business as a retailer and wholesaler or jobber shall pay the tax required on the gross proceeds of retail sales of such businesses at the rates specified, when his books are kept so as to show separately the gross proceeds of sales of each business, and when his books are not so kept he shall pay the tax as a retailer, on the gross sales of the business.

2. Upon every person, firm, or corporation engaged or continuing within Chilton County in the business of conducting or operating places or amusement or entertainment, billiard and pool rooms, bowling alleys, amusement devices, musical devices, theaters, opera houses, moving picture shows, vaudeville, amusement parks, athletic contests, including wrestling matches, prize fights, boxing and wrestling exhibitions, football and baseball games (including athletic contests conducted by or under the auspices of any educational institution, or any athletic association thereof, or other association whether such institution or association be denominational, a state, county, or a city school, or other institution, association, or school), skating rinks, race tracks, golf courses, or any other place at which any exhibition, display, amusement, or entertainment is offered to the public or place or places where an admission fee is charged, including public bathing places, public dance halls of every kind and description, conducted or carried on within Chilton County, an amount equal to one percent of the gross receipts of any such business.

3. Upon every person, firm, or corporation engaged or continuing within Chilton County in the business of **selling at retail machines used** in mining, quarrying, compounding, processing and manufacturing of tangible personal property, and the parts of such machines, attachments or replacements thereof which are made or manufactured for use on or in the operation of such machines, and which are necessary to the operation of such machines and are customarily so used, an amount equal to one-half of one percent of the gross proceeds of the sale of such machines, attachments, parts and replacements thereof.

4. Upon every person, firm, or corporation engaged or continuing within Chilton County in the business of selling at retail any automotive vehicle or truck trailers and semi-trailer, an amount equal to one-half of one percent of the gross proceeds of the sale of said automotive vehicle or truck trailer and semi-trailer. Provided, that where any used automotive vehicle or truck trailer or semi-trailer is taken in trade, or in a series of trades, as a credit or part payment of the sale of a new or used vehicle, the tax levied herein shall be paid on the net difference, that is, the price of the new or used vehicle sold less a credit for the used vehicle taken in trade.

There are exempted, however, from the provisions of this section and from the computation of the amount of the tax imposed in this section the gross receipts of any business and the gross proceeds of all sales which are presently exempted under the state sales tax statutes from the computation of the amount of the state sales tax.

### Section 3. An excise tax is hereby imposed on—

(a) The storage, use, or other consumption in Chilton County of tangible personal property purchased at retail, on or after the first day of the month next succeeding the month during which this Act shall become a law, for storage, use or other consumption in Chilton

County, at the rate of one percent of the sale price of such property, regardless of whether the retailer is or is not engaged in business in Chilton County or in this state, except as provided in subsections (b) and (c), of this section; and

(b) The storage, use, or other consumption in Chilton County of any new or used automotive vehicle, truck trailer or semi-trailer purchased at retail on or after the first day of the month next succeeding the month during which this Act becomes a law, for storage, use, or other consumption in Chilton County, at the rate of one-half of one percent of the sales price of such automotive vehicle, truck trailer, or semi-trailer. Where any used automotive vehicle or truck trailer or semi-trailer is taken in trade, or in a series of trades, as a credit or part payment on the sale of a new or used vehicle, the tax levied herein shall be paid in the net difference, that is, the difference of the price of the new or used vehicle sold less a credit for the used vehicle taken in trade; and

(c) The storage, use, or other consumption in Chilton County of any machine used in mining, quarrying, compounding, processing, and manufacturing of tangible personal property, including the parts of such machines, attachments, and replacements therefor which are made or manufactured for use on or in the operation of such machines, purchased at retail on or after the first day of the month next succeeding the month during which this Act becomes a law, for storage, use, or other consumption in Chilton County, at the rate of one-half of one percent of the sales price of such machine or the parts, attachments, or replacements therefor.

There are exempted, however, from the provisions of this section and the tax imposed in this section the storage, use, or other consumption of property the storage, use, or other consumption of which is presently exempted under the state use tax statutes from the state use tax. Subject to these exemptions, every person storing or using or otherwise consuming in Chilton County tangible personal property purchased at retail shall be liable for the tax imposed by this section, and the liability shall not be extinguished until the tax has been paid by such person as herein provided; provided, however, that a receipt from a registered seller given pursuant to Section 5 of this Act to the purchaser of any property to be used, stored, or consumed in Chilton County shall be sufficient to relieve the purchaser from further liability for a tax to which such receipt may prefer.

Section 4. The taxes levied in Section 2 of this Act shall be due and payable in monthly installments on or before the twentieth day of the month next succeeding the month in which the tax accrues; and the taxes levied in Section 3 of this Act shall be due and payable quarterly on or before the twentieth day of the month next succeeding each quarterly period during which the storage, use, or other consumption of the tangible personal property became taxable hereunder, each such quarterly period to end on the last days of each of the months of March, June, September and December. All taxes levied in this Act shall be paid to and collected by the state department of revenue at the same time and along with the collection of the state sales tax and the state use tax. On or prior to the due dates of the taxes herein levied each person subject to such taxes shall file with the state department of revenue a report or return in such form as may be prescribed by the department, setting forth, with respect to all sales and business that are provided in Section 2 hereof to be used as a measurement of the tax levied in said Section 2, a correct statement of the gross proceeds of all such sales and the gross receipts of all such business and setting forth,

with respect to the tax levied in Section 3 hereof, the total sales price of all property, the use, storage, or other consumption of which became subject to the tax imposed by said Section 3 during the then preceding quarterly period; provided, however, that said report shall include also such other items of information pertinent to the said taxes in the amount thereof as the state department of revenue may require. Any person subject to the taxes levied in Section 2 hereof may defer reporting credit sales until after their collection, and in the event he so defers reporting them, he shall thereafter include in each monthly report all credit collections made during the month preceding, and shall pay the taxes due thereon at the time of filing such report. All reports or returns filed with the state department of revenue under this section shall be available for inspection by the governing body of Chilton County, or its designated agent, at reasonable times during business hours.

Section 5. Every registered seller making sales of tangible personal property for storage, use, or other consumption in Chilton County (which storage, use, or other consumption is not herein exempted from the tax imposed in Section 3 hereof) shall at the time of making such sale or, if the storage, use, or other consumption of such tangible personal property in Chilton County is not then taxable under this Act, at the time such storage, use, or other consumption becomes taxable hereunder, collect the tax imposed by Section 2 of this Act from the purchaser, and shall give to the purchaser a receipt therefor in the manner and form prescribed by the state department of revenue. On the twentieth day of the month following the close of each quarterly period provided for in Section 4 hereof, each registered seller shall file with the state department of revenue a return for the preceding quarterly period in such form as may be prescribed by the department, **showing the total sales of the tangible personal property sold by such registered seller, the storage, use, or other consumption of which became subject to the tax imposed by Section 3 of this Act during the then preceding quarterly period; and each return shall be accompanied by a remittance of the amount of the tax herein required to be collected by such registered seller during the period followed by the return; provided, that any registered seller may defer collecting the tax with respect to credit sales until collection of the proceeds of such sales and may defer reporting credit sales until after their collection, but shall thereafter collect the said taxes along with collection of said credit sales and shall include in each quarterly report all credit collections made during the preceding quarterly period, and shall omit the taxes with respect thereto at the time of filing such report or return.** Any person who has paid to a registered seller the tax with respect to the use, storage, or other consumption of tangible personal property in Chilton County need not file a report or make any further payment of the said tax, but each person who purchases tangible personal property, the storage, use, or other consumption of which is subject to the tax imposed by Section 3 of this Act and who has not paid the tax due with respect thereto to a registered seller, shall report and pay the tax as required by Section 4.

Section 6. Each person engaging or continuing within Chilton County in a business subject to the taxes levied in Section 2 of this Act shall add to the sales price or admission fee and collect from the purchaser or the person paying the admission fee the amount due by the taxpayer on account of said taxes levied in said Section 2; and every registered seller shall likewise add to the sales price and collect from the purchaser the amount of any tax which such registered seller is required by Section 5 hereof to collect. It shall be unlawful for any person subject to the tax levied in said Section 2 to fail or refuse to add to the sales price or admission fee and to collect from the purchaser

or person paying the admission fee the amount herein required to be so added to the sale or admission price and collected from the purchaser, and it shall likewise be unlawful for any person subject to said tax to refund or offer to refund all or any part of the amount so collected or to absorb or advertise directly or indirectly the absorption or refund of said tax or any portion thereof. It shall likewise be unlawful for any registered seller to fail or refuse to add to the sales price and to collect from the purchaser the amount of the tax imposed by Section 3 of this Act or to refund or offer to refund or absorb, or to advertise directly or indirectly the absorption of, said tax or any portion thereof.

Section 7. The taxes imposed by this Act shall constitute a debt due Chilton County and may be collected by civil suit, in addition to all other methods provided by law and in this Act. The said taxes, together with interest and penalties with respect thereto, shall constitute and be secured by a lien upon the property of any person from whom said taxes are due or who is required to collect said taxes. All of the provisions of the revenue laws of this state which apply to the enforcement of liens for license taxes due this state shall apply fully to the collection of the taxes herein levied, and the state department of revenue, for the use and benefit of Chilton County shall collect such taxes and enforce this Act and shall have and exercise for such collection and enforcement all rights and remedies that this state or the department has for collection of the state sales tax and the state use tax. The state department of revenue shall have full authority to employ such special counsel as it deems necessary from time to time to enforce collection of the taxes authorized to be levied by this Act, and to otherwise enforce the provisions of this Act, including any litigation involving this Act; and the department shall pay such special counsel such fees as it deems necessary and proper from the proceeds of the taxes collected by it for Chilton County.

Section 8. All provisions of the state sales tax statutes with respect to payment, assessment and collection of the state sales tax, making of monthly reports and keeping and preserving records with respect thereto, interest after due date of tax, penalties for failure to pay tax, make reports or otherwise comply with the state sales tax statutes, the promulgation of rules and regulations with respect to the state sales tax, and the administration and enforcement of the state sales tax statutes, which are not inconsistent with the provisions of this Act when applied to the tax levied in Section 2 hereof, shall apply to the tax levied in the said Section 2; and all provisions of the state use tax statutes with respect to payment, assessment and collection of the state use tax, making quarterly reports and keeping and preserving records with respect thereto, interest after due date of tax, penalties for failure to pay tax, make reports or otherwise comply with the state use tax statutes, the promulgation of rules and regulations with respect to the state use tax, and the administration and enforcement of the state use tax statutes, which are not inconsistent with the provisions of this Act when applied to the tax levied in Section 3 hereof, shall apply to the tax levied in the said Section 3. The state commissioner of revenue and the state department of revenue shall have and exercise all of the same powers, duties and obligations with respect to the taxes levied in Section 2 and 3 hereof that are imposed on the commissioner and the department, respectively, by the state sales tax statutes and the state use tax statutes. All provisions of the state sales tax statutes and the state use tax statutes that are made applicable in this Act to the taxes herein levied and to the administration of this Act are hereby incorporated herein by reference and made a part hereof as if fully set forth herein.

Section 9. The state department of revenue shall charge Chilton County for collecting the special taxes levied by this Act such amount or percentage of total collections as may be agreed upon by the commissioner of revenue and the court of county commissioners, board of revenue, or like governing body of the county, but such charge shall not in any event exceed two percent of the total amount of special county taxes collected hereunder within the county. Such charge for collecting the special taxes for the county may be deducted each month from the special sales and special use taxes collected before certifying the amount of the proceeds thereof due Chilton County for that month. The commissioner of revenue shall pay into the state treasury all taxes collected under this Act, as such taxes are received by the department of revenue; and on or before the first day of each successive month (commencing with the month following the month in which the department makes the first collections hereunder), the commissioner shall certify to the state comptroller the amount of taxes collected under the provisions of this Act and paid by him into the state treasury for the benefit of Chilton County during the month immediately preceding the making of such certificate. Provided, however, that before certifying the amount of the taxes paid into the state treasury for the benefit of Chilton County during each month, the commissioner may deduct from the taxes collected in said month the charges due the department for the collection of the taxes for the county. It shall be the duty of the comptroller to issue his warrant each month payable to the custodian of the public school funds of Chilton County, in his official capacity, in an amount equal to the amount so certified by the commissioner of revenue as having been collected for the use of Chilton County. The custodian of public school funds of Chilton County shall deposit the revenue derived from the taxes levied herein in a special account separate and apart from other public school funds of the county, and shall maintain separate records of such special account. The county board of education shall require an additional bond of the custodian of public school funds, in an amount to be prescribed by the board of education and payable to the board and conditioned as prescribed by law. Such additional bond shall be filed and recorded in the office of the judge of probate of the county. The premiums on such bonds shall be paid from any school funds derived hereunder.

Section 10. The proceeds of the taxes levied in this Act shall be used by the county board of education of Chilton County solely for the purpose of constructing, improving, maintaining, repairing, and equipping public school buildings, and acquiring sites therefor, within the county; or the proceeds of such taxes may be used to pay the principal of, and the interest on, any securities issued pursuant to law the purpose of constructing, improving, maintaining, repairing, and equipping public school buildings, and acquiring sites therefor, within the county.

Section 11. The levy of taxes herein made shall terminate at midnight on December 31, 1969, unless prior to that date there shall have been held in Chilton County, by the qualified electors thereof, a referendum election at which a majority of the qualified electors participating therein vote in favor of the continuation of such levy for a further period of ten years from said date, in which event such taxes shall continue in effect until midnight on December 31, 1979. The court of county commissioners, board of revenue, or other like governing body of Chilton County shall order and provide for the holding of such a referendum not less than three months before the termination date of the levy as herein provided. When the levy of taxes herein made terminates as provided herein, all of the provisions of this Act pertaining to the payment and collection of the taxes herein levied,

the making of reports and maintenance of records with respect thereto, and in general the enforcement of this Act shall thereafter continue to be effective with respect to the taxes herein levied that shall have accrued hereunder prior to such termination date.

Section 12. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 13. This Act shall become effective on the first day of the month succeeding the month during which the Act shall be approved by the Governor or shall otherwise become a law.

STATE OF ALABAMA  
COUNTY OF WINSTON

Notice is hereby given that a bill substantially as follows will be introduced in the Legislature of Alabama and application for its passage and enactment will be made, to-wit:

A BILL  
TO BE ENTITLED  
AN ACT

To create and establish a single governing body in and for Winston County, to be known as the Board of Revenue of Winston County, Alabama, to be composed of three members, one of whom shall be chairman of said Board; to provide for the selection and election of the chairman and associate members of said Board; to fix their qualifications and term of office; to fix their compensation and prescribe the funds from which it may be paid; to define and prescribe the jurisdiction, power, and authority of said Board of Revenue, its Chairman, and its members, and to repeal all laws, local and general, in conflict herewith.

Be It Enacted by the Legislature of Alabama:

SECTION 1. There is hereby created and established in and for Winston County a single governing body, which shall be known as the "Board of Revenue of Winston County, Alabama." It may be known as the "Board of Revenue of Winston County," the "Winston County Board of Revenue," or, when the context so indicates, the "Board of Revenue," or, simply the "Board."

SECTION 2. The Board of Revenue shall be composed of three members — a chairman and two associate members, all of whom must be qualified voters of Winston County, Alabama. One associate member of the Board must be a resident of the area of the county now constituting the Double Springs Division of the Circuit Court (that is, the area composed of beats 1, 4, 5, 6, 7, 8, and 9), which area shall be known as district number one (1). SECTION 3. The initial term of office of the chairman of said Board of Revenue shall be from the date of the passage of this Act until the first Monday after the second Tuesday in January, 1961, and until his successor is elected, and qualified. The initial term of office of the associate members of said Board of Revenue shall be from the passage of this Act until the first Monday after the second Tuesday in January, 1963, and until their successors are elected and qualified. John Ward is hereby designated as chairman of the Board of Revenue of Winston County for the initial term. Dorthen Wadsworth is hereby designated as associate member of the Board of Revenue of Winston County for District number one (1) for the initial term. Horace J. Glenn is hereby designated as associate member of the Board of Revenue of Winston County for District number two (2) for the initial term. The chairman and associate members of said Board of Revenue shall enter into bond and take the oath of office as herein provided.

SECTION 4. (a) At the general election to be held in and for Winston County in November, 1960, and every four years thereafter,

the chairman of the Board of Revenue shall be elected by the qualified voters of Winston County for the term of four years commencing on the first Monday after the second Tuesday in January next succeeding his election.

(b) At the general election to be held in and for Winston County in November, 1962, and every four years thereafter, one associate member of the Board of Revenue shall be elected by the qualified voters of district number one (1), and one associate member of the Board of Revenue shall be elected by the qualified voters of district number two (2), each for the term of four years commencing on the first Monday after the second Tuesday in January next succeeding their election.

(c) Candidates for chairman and associate members of the Board of Revenue shall be nominated by political parties as candidates for other county officers are nominated. The nomination or election of any candidate for chairman or associate member of the Board of Revenue may be contested in the same manner as the nomination or election of any candidate for Sheriff may be contested.

SECTION 5. In the event of a vacancy in the office of chairman or associate member of the Board of Revenue, the vacancy shall be filled by appointment by the Governor for the unexpired term. The chairman and associate members of the Board of Revenue shall serve until their successors are elected and qualified.

(c) To acquire, subject to the approval of the State Highway Department, right-of-way for necessary roads, bridges, and ferries, either by negotiation or by the exercise of the right of eminent domain, and to pay for the entire cost of such right-of-way out of any road and bridge funds available for that purpose, including any State gasoline tax money belonging to Winston County;

(d) To determine the order of priority of construction of new roads, bridges, and ferries in the county, and to determine what percentage of the road and bridge funds shall be spent for maintenance purposes; provided, however, that not more than.....percent of such funds shall be spent for road maintenance without the consent of the state highway department.

(e) For the purpose of more effectively exercising its jurisdiction power, and authority and performing its duties relative to roads and bridges, the Board of Revenue, its chairman and associate members, shall from time to time, inspect the roads and bridges of said county.

SECTION 7. The Board of Revenue shall hold at least two regular meetings in each month on dates to be fixed by resolution adopted by the Board and recorded in its minutes. Unless the regular meeting dates are otherwise fixed by such resolution so adopted and recorded, they shall be held on the first Monday and last week-day of each month. The Board may hold special meetings on the call of the chairman or the two associate members of the Board. All such purchases shall be made in accordance with the requirements of the general laws of Alabama. He shall keep a current inventory of all property owned or leased by the county, which inventory shall show where such property is located and in whose possession or under whose control it is.

SECTION 10. The Board of Revenue may appoint such clerical assistance as is necessary for the convenient and orderly transaction of its business, and fix their salaries and terms of employment. The Board may require any of such employees to give bond in such sum as it may require, for the faithful performance of duty, and may pay the premium on such bond.

SECTION 11. Before entering upon the discharge of their duties, the chairman and associate members of the Board of Revenue shall take the oath required of public officers. Each of them shall also execute an official bond with good and sufficient surety or sureties, payable to the State of Alabama, conditioned faithfully to discharge the duties of such office during the time he continues therein, or discharges any of the duties thereof. The bond of the chairman shall be in the sum of ten thousand dollars and the bond of each of the associate members shall be three thousand dollars. Such bonds may be approved by the Probate Judge of Winston County, the Judge of the Law and Equity Court of Winston County, or the Judge of the Circuit Court of Winston County, and such approval is declared to be a judicial act. The bonds shall be filed and recorded in the office of the Judge of Probate

of Winston County, and the premiums on such bonds shall be paid by the county.

During the interim or initial term (that is, until the first Monday after the second Tuesday in January, 1963) the associate members of the board shall each receive a salary of three hundred dollars (\$300.00) per month, and shall receive five cents per mile for each mile actually traveled in the performance of their duties, provided, however, that no associate member may receive more than twenty-five dollars (\$25.00) mileage in any one month. After the interim or initial term (that is, beginning the first Monday after the second Tuesday in January, 1963) the associate members of the Board of Revenue shall each receive a salary of one hundred dollars per month, plus eight cents per mile for each mile actually traveled in the performance of their duties; provided, however, that no such associate members shall receive more than twenty-five dollars in mileage in any one month. The compensation herein provided for the chairman and associate members of the Board shall be paid from any funds available for that purpose; provided, however, that the Board may direct that one-third of such salaries may be paid out of any road and bridge funds available for that purpose, including any State gasoline tax moneys belonging to Winston County.

A BILL  
TO BE ENTITLED  
AN ACT

To regulate further the sale, issuance, and redemption of trading stamps in the State of Alabama, to define trading stamps and trading stamp companies, to provide for the registration and filing of a performance bond by trading stamp companies with the Secretary of State, to prescribe the manner of redemption of trading stamps, to prescribe the power, duties and authority of the State Department of Revenue in the administration and enforcement of this Act, to provide **for the licensing of trading stamp companies and to provide for the payment of privilege and license taxes in Alabama by trading stamp companies, to prescribe penalties for the violation of the provisions of this Act and to repeal all laws in conflict herewith and also to repeal the provisions of Title 57, Section 114, and Title 51, Section 606, Code of Alabama 1940, as amended, and Act 110 (H. 182), approved February 14, 1956 (Acts of Alabama, 1956, V. 1, P. 166).**

Be it Enacted by the Legislature of Alabama:

Section 1. As used in this act:

(a) The term "trading stamp" mean any stamp or similar device issued in connection with the retail sale of merchandise or service, as a cash discount or for any other marketing purpose, which entitles the rightful holder, on its due presentation for redemption, to receive merchandise, service or cash. This term, however, shall not mean any redeemable device used by the manufacturer or packer of an article, in advertising or selling it, or any redeemable device issued and redeemed by a newspaper, magazine or other publication.

(b) The term "trading stamp company" means any person engaged in distributing trading stamps for retail issuance by others, or in redeeming trading stamps for retailers, in any way or under any guise.

(c) The term "person" means any individual, partnership, corporation, association or other organization.

Section 2. No trading stamp company shall distribute trading stamps in this state or shall redeem trading stamps hereafter issued therein unless (a) each stamp has legibly printed upon its face in

cents or any fraction thereof of a cash value determined by the company, and (b) the rightful holders may, at their option, redeem the stamps in cash when duly presented to the company for redemption in a number having an aggregate cash value or not less than twenty-five cents.

Section 3. No trading stamp company shall distribute trading stamps in this state or shall redeem trading stamps hereafter issued therein until it has filed with the Secretary of State:

A. A statement of registration accompanied by representative samples of its stamps, stamp collection books, stamp redemption catalogues, and stamp distribution and redemption agreement forms, currently used in this state. Each such statement shall provide the following information:

(1) The name and principal address of the company;

(2) The state of its incorporation or origin;

(3) The names and addresses of its principal officers, partners or proprietors;

(4) The address of its principal office in this state;

(5) The name and address of its principal officer, employee or agent therein;

(6) The addresses of the places where its stamps are redeemable in the state;

(7) A short form of its balance sheet, as at the end of its last fiscal year prior to such filing, certified by an independent public accountant; and

(8) Unless the principal sum of the bond hereinafter required to be filed by the company is the maximum amount hereinafter required, a statement of its gross income from its business in this state as a trading stamp company during such last fiscal year; certified by an independent public accountant; and simultaneously therewith.

B. A bond payable to this state and duly executed by the company and a corporate surety qualified to do business therein, which is conditioned upon the performance by the company of its obligation to redeem trading stamps issued by retailers in this state, when they are duly presented for redemption by the rightful holders.

In the event the company defaults in performing its obligations to redeem trading stamps, all rightful holders of trading stamps of such company shall be entitled to make claim against said bond. Retailers in possession of trading stamps for issuance to their customers shall also be deemed rightful holders entitled to make such claim. Any rightful holder may file within three months after such default a complaint with the Department of Revenue. Upon the filing of any such complaint, the Department of Revenue shall forthwith make a determination whether there has been a default. If the Department of Revenue shall determine that there has been such a default, it shall give notice of such determination to the company and if such default is not corrected within ten days, it shall publish notice of such default in three consecutive publications of one or more newspapers having

general circulation throughout this state and therein require that proof of all claims for redemption of the trading stamps of the company shall be filed with the Department of Revenue, together with the trading stamps upon which the claim is based, within three months after the date of the first such publication. The Department of Revenue promptly after the expiration of such period shall determine the validity of all claims so filed. Thereupon the Department of Revenue shall be paid by the surety such amount as shall be necessary to satisfy all valid claims so filed, not exceeding, however, the principal sum of the bond. The Department of Revenue shall promptly thereafter make an equitable distribution of the proceeds of the bond to such claimants and shall destroy the trading stamps so surrendered.

The principal sum of the bond shall be as follows: If the company has not previously done business as a trading stamp company in this state, or if the company's gross income from such business in this state during its last fiscal year was not in excess of one hundred thousand dollars, ten thousand dollars; if such gross income exceeded one hundred thousand dollars but was not in excess of two hundred thousand dollars, fifteen thousand dollars; if such gross income exceeded two hundred thousand dollars but was not in excess of three hundred thousand dollars, twenty thousand dollars; if such gross income exceeded three hundred thousand dollars but was not in excess of four hundred thousand dollars, twenty-five thousand dollars; if such gross income exceeded four hundred thousand dollars but was not in excess of five hundred thousand dollars, thirty thousand dollars; and if such gross income exceeded five hundred thousand dollars, thirty-five thousand.

On the effective date of each such new bond any and all liability on all bonds previously filed hereunder shall terminate, and all rightful holders of trading stamps who shall prosecute their claims hereunder shall prosecute such claims solely against the new bond and only by filing proofs of claim with the Department of Revenue in the manner hereinbefore provided. Each trading stamp company shall file annually on or before October 1, a new statement of registration and a new bond, said bond to be effective for the fiscal year next following, and shall pay the license tax provided for in this section.

The trading stamp company shall pay to the State Department of Revenue only one privilege or license tax of one thousand dollars per annum. The payment of said privilege or license tax shall be accompanied by evidence of the filing of the statement of registration and the bond hereinabove provided for with the Secretary of State.

In addition to the privilege or license tax herein required to be paid to the State Department of Revenue, the trading stamp company shall pay to each county in which it does business an annual license tax as follows: in counties with a population of not more than fifty thousand, the sum of twenty-five dollars; in counties with a population of more than fifty thousand but not more than seventy-five thousand, the sum of thirty-seven and 50/100 dollars; in counties with a population of more than seventy-five thousand but not more than one hundred thousand, the sum of fifty dollars; in counties with a population of more than one hundred thousand but not more than one hundred twenty-five thousand, the sum of sixty-two and 50/100 dollars; in counties with a population of more than one hundred twenty-five thousand but not more than one hundred fifty thousand, the sum of seventy-five dollars; in counties with a population of more than one hundred fifty thousand but not more than one hundred seventy-five

thousand, the sum of eighty-seven and 50/100 dollars; in counties with a population of more than one hundred seventy-five but not more than two hundred thousand, the sum of one hundred dollars; in counties with a population of more than two hundred thousand but not more than two hundred twenty-five thousand, the sum of one hundred twelve and 50/100 dollars; in counties with a population of more than two hundred twenty-five but not more than two hundred fifty thousand, the sum of one hundred twenty-five dollars; in counties of more than two hundred fifty thousand but not more than two hundred seventy-five thousand, the sum of one hundred thirty-seven and 50/100 dollars; in counties with a population of more than two hundred seventy-five thousand but not more than three hundred thousand, the sum of one hundred fifty dollars; in counties of more than three hundred thousand but not more than three hundred twenty-five thousand, the sum of one hundred sixty-two and 50/100 dollars; in counties of more than three hundred twenty-five thousand but not more than three hundred fifty thousand, the sum of one hundred seventy-five dollars; in counties of more than three hundred fifty thousand but not more than three hundred seventy-five thousand, the sum of one hundred eighty-seven and 50/100 dollars; in counties of more than three hundred seventy-five thousand but not more than four hundred thousand, the sum of two hundred dollars; in all counties with a population of more than four hundred thousand, the sum of two hundred twelve and 50/100 dollars.

No trading stamp company shall be required to pay a license or privilege tax to a municipal government at a rate in excess of that paid to said municipal government by retail or wholesale merchants whichever is the higher of the two.

Section 4. No trading stamp company shall cease or suspend the redemption of trading stamps in this state without filing with the Secretary of State at least ninety days' prior written notice of its intention so to do and concurrently mailing a copy of such notice to the Department of Revenue and to each retailer within this state which has at any time theretofore within one year issued trading stamps which the company is obligated to redeem.

Section 5. Any person violating any provision of this act shall be punished by a fine of not more than one thousand dollars, and the Circuit Court shall have jurisdiction in equity on the complaint of any interested person to restrain and enjoin the violation of any of said provisions.

Section 6. This act is hereby declared to be severable. Should any section or provision hereof be held invalid or unenforceable by a Court of competent jurisdiction, said holding shall not invalidate or render unenforceable the remaining provisions or sections hereof.

Section 7. This act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Section 8. All laws and parts of laws now effective in this state, directly or indirectly regulating or licensing trading stamp companies, or which directly or indirectly regulate or license the distribution or redemption of trading stamps in this state, are hereby repealed, and all the provisions of Title 57, Section 114, and Title 51, Section 606, Code of Alabama 1940, as amended, and Act 110 (H. 182), approved February 14, 1956 (Acts of Alabama, 1956, V. 1, p. 166) are hereby expressly repealed.

And the substitute was adopted.

Effective on the first day of the month succeeding the month during which this Act becomes a law, there is hereby levied in Hale County, in addition to all other taxes of every kind now imposed by law, and shall be collected as herein provided, a privilege or license tax against the person on account of the business activities and in the amount to be determined by the application of rates against gross sales, or gross receipts, as the case may be, as follows:

1. Upon every person, firm, or corporation engaged or continuing within Hale County in the business of selling at retail any tangible personal property whatsoever, including merchandise and commodities of every kind and character (not including, however, bonds or other evidence of debt or stocks), an amount equal to one percent of the gross proceeds of sales of the business except where a different amount is expressly provided herein. Any person engaging or continuing in business as a retailer and wholesaler or jobber shall pay the tax required on the gross proceeds of retail sales of such businesses at the rates specified, when his books are kept so as to show separately the gross proceeds of sales of each business, and when his books are not so kept he shall pay the tax as retailer, on the gross sales of the business.

2. Upon every person, firm, or corporation engaged or continuing within Hale County in the business of conducting or operating places of amusement or entertainment, billiard and pool rooms, bowling alleys, amusement devices, musical devices, theaters, opera houses, moving picture shows, vaudeville, amusement parks, athletic contests, including wrestling matches, prize fights, boxing and wrestling exhibitions, football and baseball games (including athletic contests conducted by or under the auspices of any educational institution, or any athletic association thereof, or other association whether such institution or association be denominational, a state, county, or a city school, or other institution, association, or school), skating rinks, race tracks, golf courses, or any other place at which any exhibition, display, amusement, or entertainment is offered to the public or place or places where an admission fee is charged, including public bathing places, public dance halls of every kind and description, conducted or carried on within Hale County, an amount equal to one percent of the gross receipts of any such business.

Upon every person, firm, or corporation engaged or continuing within Hale County in the business of selling at retail machines used in mining, quarrying, compounding, processing and manufacturing of tangible personal property, and the parts of such machines, attachments and replacements therefor which are made or manufactured for use on or in the operation of such machines, and which are necessary to the operation of such machines and are customarily so used, an amount equal to one-half of one percent of the gross proceeds of the sale of such machines, attachments, parts and replacements therefor.

4. Upon every person, firm, or corporation engaged or continuing within Hale County in the business of selling at retail any automotive vehicle or truck trailer and semi-trailer, an amount equal to one-half of one percent of the gross proceeds of the sale of said automotive vehicle or truck trailer and semi-trailer. Provided, that where any used automotive vehicle or truck trailer or semi-trailer is taken in trade, or in a series of trades, as a credit or part payment of the sale of a new or used vehicle, the tax levied herein shall be paid on the net difference, that is, the price of the new or used vehicle sold less a credit for the used vehicle taken in trade.

There are exempted, however, from the provisions of this section and from the computation of the amount of the tax imposed in this section the gross receipts of any business and the gross proceeds of all sales which are presently exempted under the state sales tax statutes from the computation of the amount of the state sales tax.

Section 3. An excise tax is hereby imposed on—

(a) The storage, use, or other consumption in Hale County of tangible personal property purchased at retail, on or after the first day of the month next succeeding the month during which this Act shall become a law, for storage, use or other consumption in Hale County, at the rate of one percent of the sale price of such property, regardless of whether the retailer is or is not engaged in business in Hale County or in this state, except as provided in subsections (b) and (c) of this section; and

Where any used automotive vehicle or truck trailer or semi-trailer is taken in trade, or in a series of trades, as a credit or part payment on the sale of a new or used vehicle, the tax levied herein shall be paid in the net difference, that is, the difference of the price of the new or used vehicle sold less a credit for the used vehicle taken in trade; and

(c) The storage, use, or other consumption in Hale County of any machine used in mining, quarrying, compounding, processing and manufacturing of tangible personal property, including the parts of such machines, attachments, and replacements therefor which are made or manufactured for use on or in the operation of such machines, purchased at retail on or after the first day of the month next succeeding the month during which this Act becomes a law, for storage, use, or other consumption in Hale County, at the rate of one-half of one percent of the sales price of such machine or the parts, attachments, or replacements therefor.

Section 4. The taxes levied in Section 2 of this Act shall be due and payable in monthly installments on or before the twentieth day of the month next succeeding the month in which the tax accrues; and the taxes levied in Section 3 of this Act shall be due and payable quarterly on or before the twentieth day of the month next succeeding each quarterly period during which the storage, use, or other consumption of the tangible personal property became taxable hereunder, each such quarterly period to end on the last days of each of the months of March, June, September and December. All taxes levied in this Act shall be paid to and collected by the state department of revenue at the same time and along with the collection of the state sales tax and the state use tax. On or prior to the due dates of the taxes herein levied each person subject to such taxes shall file with the state department of revenue a report or return in such form as may be prescribed by the department, setting forth, with respect to all sales and business that are provided in Section 2 hereof to be used as a measurement of the tax levied in said Section 2, a correct statement of the gross proceeds of all such sales and the gross receipts of all such business and setting forth, with respect to the tax levied in Section 3 hereof, the total sales price of all property the use, storage, or other consumption of which became subject to the tax imposed by said Section 3 during the then preceding quarterly period; provided, however, that said report shall include also such other items of information pertinent to the said taxes in the amount thereof as the state department of revenue may require. Any person subject to the taxes levied in Section 2 hereof may defer reporting credit sales until after their collection, and in the event he so defers reporting them, he shall thereafter include in each monthly report all credit collections made during the month preceding, and shall pay the taxes due thereon at the time of filing such report. All reports or returns filed with the state department of revenue under this section shall be available for inspection by the board of education of Hale County, or its designated agent, at reasonable times during business hours.

Section 5. Every registered seller making sales of tangible personal property for storage, use, or other consumption in Hale County (which storage, use, or other consumption is not herein exempted from the tax imposed in Section 3 hereof) shall at the time of making such sale, or, if the storage, use, or other consumption of such tangible personal property in Hale County is not then taxable under this Act, at the time such storage, use, or other consumption becomes taxable hereunder, collect the tax imposed by Section 2 of this Act from the purchaser, and shall give to the purchaser a receipt therefor in the manner and form prescribed by the state department of revenue. On the twentieth day of the month following the close of each quarterly period provided for in Section 4 hereof, each registered seller shall file with the state department of revenue a return for the preceding

quarterly period in such form as may be prescribed by the department, showing the total sales of the tangible personal property sold by such registered seller, the storage, use, or other consumption of which became subject to the tax imposed by Section 3 of this Act during the then preceding quarterly period; and each return shall be accompanied by a remittance of the amount of the tax herein required to be collected by such registered seller during the period followed by the return; provided, that any registered seller may defer collecting the tax with respect to credit sales until collection of the proceeds of such sales and may defer reporting credit sales until after their collection, but shall thereafter collect the said taxes along with collection of said credit sales and shall include in each quarterly report all credit collections made during the preceding quarterly period, and shall omit the taxes with respect thereto at the time of filing such report or return. Any person who has paid to a registered seller the tax with respect to the use, storage, or other consumption of tangible personal property in Hale County need not file a report or make any further payment of the said tax, but each person who purchases tangible personal property, the storage, use, or other consumption of which is subject to the tax imposed by Section 3 of this Act and who has not paid the tax due with respect thereto to a registered seller, shall report and pay the tax as required by Section 4.

Section 6. Each person engaging or continuing within Hale County in a business subject to the taxes levied in Section 2 of this Act shall add to the sales price or admission fee and collect from the purchaser or the person paying the admission fee the amount due by the taxpayer on account of said taxes levied in said Section 2; and every registered seller shall likewise add to the sales price and collect from the purchaser the amount of any tax which such registered seller is required by Section 5 hereof to collect. It shall be unlawful for any person subject to the tax levied in said Section 2 to fail or refuse to add to the sales price or admission fee and to collect from the purchaser or person paying the admission fee the amount herein required to be so added to the sales or admission price and collected from the purchaser, and it shall likewise be unlawful for any person subject to said tax to refund or offer to refund all or any part of the amount so collected or to absorb or advertise directly or indirectly the absorption or refund of said tax or any portion thereof. It shall likewise be unlawful for any registered seller to fail or refuse to add to the sales price and to collect from the purchaser the amount of the tax imposed by Section 3 of this Act or to refund or offer to refund or absorb, or to advertise directly or indirectly the absorption of, said tax or any portion thereof.

Section 7. The taxes imposed by this Act shall constitute a debt due Hale County and may be collected by civil suit, in addition to all other methods provided by law and in this Act. The said taxes, together with interest and penalties with respect thereto shall constitute and be secured by a lien upon the property of any person from whom said taxes are due or who is required to collect said taxes. All of the provisions of the revenue laws of this state which apply to the enforcement of liens for license taxes due this state shall apply fully to the collection of the taxes herein levied, and the state department of revenue, for the use and benefit of Hale County shall collect such taxes and enforce this Act and shall have and exercise for such collection and enforcement all rights and remedies that this a lien upon the property of any collection of the state sales tax and the state use tax. The state department of revenue shall have full authority to employ such special counsel as it deems necessary from time to time to

enforce collection of the taxes authorized to be levied by this Act, and to otherwise enforce the provisions of this Act, including any litigation involving this Act; and the department shall pay such special counsel such fees as it deems necessary and proper from the proceeds of the taxes collected by it for Hale County.

Section 8. All provisions of the state sales tax statutes with respect to payment, assessment and collection of the state sales tax, making of monthly reports and keeping and preserving records with respect thereto, interest after due date of tax, penalties for failure to pay tax, make reports or otherwise comply with the state sales tax statutes, the promulgation of rules and regulations with respect to the state sales tax, and the administration and enforcement of the state sales tax statutes, which are not inconsistent with the provisions of this Act when applied to the tax levied in Section 2 hereof, shall apply to the tax levied in the said Section 2; and all provisions of the state use tax statutes with respect to payment, assessment and collection of the state use tax, making quarterly reports and keeping and preserving records with respect thereto, interest after due date of tax, penalties for failure to pay tax, make reports or otherwise comply with the state use tax statutes, the promulgation of rules and regulations with respect to the state use tax, and the administration and enforcement of the state use tax statutes, which are not inconsistent with the provisions of this Act when applied to the tax levied in Section 3 hereof, shall apply to the tax levied in the said Section 3. The state commissioner of revenue and the state department of revenue shall have and exercise all of the same powers, duties and obligations with respect to the taxes levied in Sections 2 and 3 hereof that are imposed on the commissioner and the department, respectively, by the state sales tax statutes and the state use tax statutes. All provisions of the state sales tax statutes and the state use tax statutes that are made applicable in this Act to the taxes herein levied and to the administration of this Act are hereby incorporated herein by reference and made a part hereof as if fully set forth herein.

Section 9. The state department of revenue shall charge Hale County for collecting said special taxes herein levied a percentage of said taxes to be computed on the basis that the total cost of collecting the state sales and use taxes bears to the total of said state taxes collected for each fiscal year. Such charge may be deducted once each month from the special sales and use taxes collected before certifying the amount of special taxes due Hale County. The commissioner of revenue shall pay into the state treasury all taxes collected under this Act, as such taxes are received by the department of revenue; and on or before the first day of each successive month (commencing with the month following the month in which the department makes the first collections hereunder), the commissioner shall certify to the state comptroller the amount of taxes collected under the provisions of this Act and paid by him into the state treasury for the benefit of Hale County during the month immediately preceding the making of such certificate. Provided, however, that before certifying the amount of the taxes paid into the state treasury for the benefit of Hale County during each month, the commissioner may deduct from the taxes collected in said month the charges due the department for the collection of the taxes for the county. It shall be the duty of the comptroller to issue his warrant each month payable to the custodian of the public school funds of Hale County, in his official capacity, in an amount equal to the amount so certified by the commissioner of revenue as having been collected for the use of Hale County. The custodian of public school funds for Hale County shall deposit the revenue derived

from the taxes levied herein in a special account separate and apart from other public school funds of the county, and shall maintain separate records of such special account.

Section 10. All revenue arising from the taxes herein levied shall be used exclusively and solely for acquiring, providing or constructing school houses and related buildings necessary or convenient for public school purposes, and equipping, furnishing, or replacing any such building and acquiring sites therefor; or other capital outlay purposes for public schools within Hale County, Alabama.

Section 11. This Act supersedes Act No. 86, H. 388, approved June 21, 1957, as amended (Acts 1957, vol. 1, pp. 127-130); provided, that rights and duties that matured, penalties that were incurred, and proceedings that were begun under said Act No. 86 before the effective date of this Act shall not be affected by this Act.

Section 12. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 13. This Act shall become effective on the first day of the month succeeding the month during which the Act shall be approved by the Governor or shall otherwise become a law.

If such child or children have no surviving parent, or such surviving parent dies during the time such child or children are entitled to such benefit, such sum may be paid by the Board of Trustees to the person having control and custody of such child or children or to such other person as said Board of Trustees may direct, to be expended by such person for the benefit of such child or children as may be prescribed by said Board of Trustees. All applications and proofs shall be kept and retained in the custody of the said Board of Trustees.

H. 698 (with substitute). Relating to and providing for purgation of voter lists in Coffee County; requiring the reidentification of qualified electors of the county; imposing certain duties in this respect on voters, the registrars of the county, the probate judge, the county gov-

Was taken up.

The question was upon the adoption of the substitute reported by the Standing Committee on Local Legislation No. 1, said committee substitute being as follows:

A BILL  
TO BE ENTITLED  
AN ACT

Relating to and providing for the reidentification of electors in Coffee County; directing the board of registrars to purge the lists of registered electors; and providing the penalty for anyone willfully making a false statement in connection with such reidentification.

Be It Enacted by the Legislature of Alabama:

Section 1. The board of registrars of Coffee County is hereby directed to purge all lists of the registered electors of the county to the end that the names of all who are deceased or nonresidents of the county, or who have otherwise become disqualified from voting therein, shall be removed from such lists and to the end that the name of each qualified elector shall appear only on the list of qualified electors for the district and precinct in which he resides.

Section 2. The board of registrars of Coffee County shall omit and remove from the lists of qualified electors of the county the name of every person who fails to reidentify himself in one of the ways hereinafter provided before the first day of October, 1962; provided, however, that no one who has registered as a qualified elector of the county since January 1, 1959, shall be required to reidentify himself. No person removed from the list of qualified electors as herein provided shall cease permanently to be a qualified elector, nor be subject to re-registration, but shall be subject only to the requirement that he reidentify himself as a duly registered elector before being listed on the list of qualified electors in the county, and before being entitled to vote at elections held in the county after the first day of October, 1962.

Section 3. A qualified elector may reidentify himself in any one of the following ways:

(a) He may reidentify himself by appearing in person at the office of the board of registrars or the judge of probate of Coffee County, or before one of the duly authorized employees of the judge of probate, and answering such questions and submitting such proof as may be set forth hereinafter to establish the elector's identity and place of legal residence and that the elector has not become disqualified from voting in the county. The judge of probate shall deliver all completed questionnaires to the chairman of the board of registrars once a month.

(b) He may also reidentify himself at any election at which the elector votes prior to October 1, 1962, by answering and signing the questionnaire hereinafter provided for, in the presence of a clerk, manager, inspector, or returning officer at such election, who also shall sign the questionnaire as an attesting witness. The managers at each polling place shall see to it that each voter is offered a blank questionnaire form and is requested to complete it, and shall also provide a

box or other receptacle in which completed questionnaires shall be deposited and held until the polls are closed. The returning officer shall transmit the signed questionnaires to the judge of probate who shall transmit them to the chairman of the board of registrars.

(c) A qualified elector who is on active duty in the Armed Forces of the United States, or the husband or wife of a member of the Armed Forces on active duty, may also reidentify himself or herself by filling in and mailing to the office of the judge of probate the completed answers to such questions as are set forth in the questionnaire hereinafter detailed, and the elector's signature to such questionnaire must be witnessed by a commissioned officer of the Armed Forces. Blank questionnaire forms shall be mailed to members of the Armed Forces upon their request.

(d) The board of registrars shall furnish a sufficient number of blank questionnaires to the judge of probate, and also to the sheriff, party executive committee, or other officer, agency, or committee charged with the duty of sending out election supplies, who shall cause a sufficient number thereof to be sent to each voting place at each election to be held prior to October 1, 1962.

(e) The questionnaire shall be in substantially the following form:

Section 4. Any qualified elector of Coffee County who shall have his or her name omitted or removed from the lists of qualified electors in the county by reason of his or her failure to reidentify himself or herself as hereinabove provided, or whose name is otherwise purged therefrom, shall be entitled to have his or her name restored to the list of qualified electors by appearing in person and reidentifying himself

Section 9. This Act shall take effect immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

And the substitute was adopted.

"Section 3. Levy of Sales Tax. There is hereby levied in the county, in addition to all other taxes of every kind now imposed by law, and shall be collected as herein provided, a privilege or license tax against the person on account of the business activities and in the amount to be determined by the application of rates against gross sales, or gross receipts, as the case may be, as follows:

(a) Upon every person, firm, or corporation (including the State of Alabama and its Alcoholic Beverage Control Board in the sale of alcoholic beverages of all kinds, the University of Alabama, and all other institutions of higher learning in the county, whether such institutions be denominational, state, county or municipal institutions, and any association or other agency or instrumentality of such institutions) engaged, or continuing within the county, in the business of selling at retail any tangible personal property whatsoever, including merchandise and commodities of every kind and character (not including, however, bonds or other evidences of debts or stocks), an amount equal to one per cent (1%) of the gross proceeds of sales of the business, except where a different amount is expressly provided herein; provided, however, that any person engaging or continuing in business as a retailer and wholesaler or jobber shall pay the tax required on the gross proceeds of retail sales of such business at the rates specified, when his books are kept so as to show separately the gross proceeds of sales of each business, and when his books are not so kept he shall pay the tax as a retailer on the gross sales of the entire business.

Where any used automotive vehicle or truck trailer or semi-trailer is taken in trade, or in a series of trades, as a credit or part payment on the sale of a new or used vehicle, the tax levied herein shall be paid on the net difference, that is, the price of the new or used vehicle sold less the credit for the used vehicle taken in trade.

Each exemption provided for in the state sales tax statutes, and as they may from time to time hereafter be amended, shall, during the period of time when such exemption shall be effective in said statutes, be applicable to the tax levied in this section; provided, that in the event of the repeal of the state sales tax statutes, as at any time amended, the exemptions effective therein immediately prior to any such repeal shall thereafter be applicable to the tax levied in this section. In addition thereto, and except as expressly enumerated hereinabove, there are hereby exempted from the tax levied in this section the gross receipts or gross proceeds of any business engaged in by any city or town in Tuscaloosa County and also the gross proceeds of the sale of machines used in mining, quarrying, compounding, processing and manufacturing of tangible personal property; provided that the term "machines", as herein used, shall include machinery which is used for mining, quarrying, compounding, processing or manufacturing tangible personal property, and the parts of such machines, attachments and replacements therefor, which are made or manufactured for use on or in the operation of such machines and which are necessary to the operation of such machines and are customarily so used. Every person, firm, or corporation engaged in any business upon which the tax levied in this section is imposed shall add the tax herein levied to the sales and admission price with respect to which the said tax is levied and shall collect the same from the purchaser."

Section 3. Section 4 of Act No. 56 of the Regular Session of the Legislature of Alabama of 1953, approved June 3, 1953 (Acts of Alabama, Regular Session 1953, Page 76), being an Act levying additional privilege or license taxes in Tuscaloosa County, is hereby amended to read as follows:

"Section 4. Levy of Use Tax.

(a) An excise tax is hereby imposed on the storage, use or other consumption in the county of tangible personal property purchased at retail on or after the 1st day of October, 1959, for storage, use or other consumption in the county at the rate of one per cent (1%) of the sale price of such property, regardless of whether the retailer who made the sale is or is not engaged in business in the county, except as provided in subsection (b) of this section.

(b) An excise tax is hereby imposed on the storage, use or other consumption in the county of any automotive vehicle or truck trailer and semi-trailer purchased at retail on or after October 1, 1959, for storage, use or other consumption in the county at the rate of one-half of one per cent ( $\frac{1}{2}$  of 1%) of the sales price of such automotive vehicle, truck trailer or semi-trailer.

Every person storing, using or otherwise consuming in the county tangible personal property purchased at retail shall be liable for the tax imposed by this section, and the liability shall not be extinguished until the tax has been paid; provided, however, that a receipt from a retailer maintaining a place of business in the county, showing that the property in question was purchased at retail from such retailer and the tax levied in Section 3 hereof has been paid with respect to the purchase at retail of such property shall be sufficient to relieve the purchaser from further liability for a tax under this section with respect to the use, storage, or consumption of such property. Each exemption provided for in the state use tax statutes, as amended by Act No. 99 of the 1959 Special Session of the Legislature of Alabama, approved 18 August 1959, and as they may from time to time hereafter be amended, shall, during the period of time when such exemption shall be effective in said statutes, be applicable to the tax levied in this section; provided, that in the event of the repeal of the state use tax statutes, as at any time amended, the exemptions effective therein immediately prior to any such repeal shall thereafter be applicable to the tax levied in this section. In addition thereto there is also exempted from the tax levied in this section all machines used in mining, quarrying, compounding, processing, and manufacturing of tangible personal property; provided that the term 'machines', as herein used, shall include machinery which is used for mining, quarrying, compounding, processing, or manufacturing tangible personal property, and the parts of such machines, attachments and replacements therefor, which are made or manufactured for use on or in the operation of such machines and which are necessary to the operation of such machines and are customarily so used. All provisions and procedures with respect to the filing of returns, collections and payment of taxes, keeping of records, making of reports, determination of the amount of the tax due, penalties, assessments, notices, examinations of tax payers and their books provided in the state use tax statutes, as hereafter amended, with respect to the tax levied in those statutes shall be applicable to the tax levied in this section excepting, however, the procedure for appeals from assessments, and such appeals shall be made as hereinafter set forth; provided, however, that any procedure or provisions involving the State Department of Revenue which is incorporated herein by reference to the state use tax statutes shall be deemed to apply, with respect to the tax levied in this section to the tax board."

Section 4. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 5. This Act shall take effect October 1, 1959.

And the substitute was adopted.

A BILL  
TO BE ENTITLED  
AN ACT

To apply in, but only in, counties which have a population of 500,000 or more, according to the last or any subsequent Federal Census, and which counties are, or hereafter become, Wet Counties under Section 68 of Title 29 of the 1940 Code of Alabama; and to require the payment to such counties of a license tax, in addition to all other taxes and licenses required by law, of ten cents on each quantity of less than one half pint, and twenty five cents on each one half pint or more of alcoholic, spirituous, vinous or fermented liquor sold, distributed, delivered, stored, or taken out of storage within such counties; and to provide for the ascertainment, collection, payment and distribution of such license tax and for the enforcement of this Act; and to prescribe penalties and fix punishment for the violation of any of the provisions of this Act.

Be It Enacted by the Legislature of Alabama:

Section 1. This Act shall apply in, but only in, counties which have a population of 500,000, or more, according to the last or any subsequent Federal Census, and which counties are or hereafter become Wet Counties under Section 68 of Title 29 of the Code of Alabama of 1940; and this Act shall not have the effect of altering or repealing in anywise any statute now in effect, but shall be in addition to and cumulative of all laws now in effect. This Act shall not have the effect of legalizing the sale, distribution, delivery, storage, taking out of storage, or possession in said county of any beverage now or hereafter prohibited by law.

Section 2. Definitions. When used in this Act, the terms (a) "hotel" (b) "restaurant" (c) "club" (d) "corporation" (e) "State Liquor

Store" (f) "Liquor" (g) "malt" or "brewed beverages" (h) "wine" (i) "municipality" (j) "package" (k) "person" (l) "sale" or "sell", shall have the same meaning ascribed to them by Section 1 of Title 29 of the 1940 Code of Alabama, provided, however, the term "person" shall not mean and include the Alabama Alcoholic Beverage Control Board, nor the members, officers, or employees thereof, while engaged in the performance of their duties under the Alabama Alcoholic Beverage Control Act, nor any liquor store or warehouse established, operated and maintained by the said Alabama Alcoholic Beverage Control Board under said Act.

Section 3. (a) Every person engaged in the sale of alcoholic, spirituous, vinous or fermented liquor, except malt or brewed beverages of an alcoholic content not in excess of four percent by weight and five percent by volume, shall, in addition to all other taxes and licenses now imposed by law, pay a license tax to the county, and a license tax is hereby fixed and created, which shall be a sum and amount equal to ten cents on each bottle or container of less than one half pint, and twenty five cents on each bottle or container of one-half pint or more of alcoholic, spirituous, vinous or fermented liquor cold, distributed, delivered, stored, or taken out of storage within the county; provided, however, that where the additional license tax hereby required to be paid shall have been paid by a person, distributor or seller of alcoholic, spirituous, vinous or fermented liquors subject to this Act, such payment shall be sufficient, the intent being that such license tax hereby required to be paid shall be paid but once on the same identical beverage; provided further, however, that any person in order to be exempt under this provision shall first comply with the provisions of subsection (b) of this section. (b) Any person selling, distributing, delivering, storing or taking out of storage alcoholic, spirituous, vinous or fermented liquors purchased from any other person who has paid the license tax thereon as fixed in subsection (a) of this section shall not be required to pay such license; provided, however, that in order to obtain such exemption such person claiming such exemption must, on or before the fifteenth day of the month next succeeding the effective date of this Act, and on or before the 15th day of each and every calendar month thereafter, file with the probate judge of the county, a written statement, sworn to and subscribed by such person claiming exemption, showing the name and address of such person, each and every purchase, receipt or procurement of alcoholic, spirituous, vinous or fermented liquors made by such person during the calendar month next preceeding, together with the name and address of the person from whom purchased, received, or procured, and the brand of such beverages, the quantity of each brand of such beverages, the size of containers of each brand of such beverages, the date or dates on which purchased, received or procured, and the disposition thereof by such person claiming the exemption; such statement to be made on forms prescribed by the probate judge. (c) Each and every person selling, distributing, delivering, storing, or taking out of storage alcoholic, spirituous, vinous or fermented liquors subject to this Act, except such as claim and obtain exemption under the provisions of subsection (b) of this section, shall, on or before the 15th day of the month next succeeding the effective date of this Act, and on or before the 15th day of each and every month thereafter, file with the probate judge, of the county, on forms prescribed by the probate judge, a written statement, sworn to and subscribed by such person, showing the name and address of such person, each and every purchase, receipt or procurement of alcoholic, spirituous, vinous or fermented liquors made by such person during the calendar month next preceeding, together with the name and address of the person from whom purchased, received or procured, the

brand of such beverages, the quantity of each brand of such beverages, the size of containers of each brand of such beverages and the date or dates on which purchased, received, or procured; and any person failing, refusing or omitting to file such statement as herein prescribed shall be guilty of a misdemeanor, and each day that such default continues shall constitute a separate offense. (d) The license herein fixed and prescribed in subsection (a) of this section shall and must be paid by each person against whom the same is levied, or who is liable or subject to such license under the provisions hereof, on or before the 15th day of each calendar month at the time of filing the statement required by subsection (c) of this section, which license shall be based on the sale, distribution, delivery, storage or taking out of storage, of alcoholic, spirituous, vinous or fermented liquors, during the calendar month next preceeding; and any person failing, refusing, or omitting to pay such license within the time herein prescribed shall be guilty of a misdemeanor, and each day such default continues shall constitute a separate offense, and in addition to the other penalties herein provided for, there shall be added to such license tax a penalty of twenty percentum of the amount thereof for such delinquency, said penalty to be paid to the probate judge, and by him paid into the general treasury of the county for the use of the county; and provided further, however, that the tax levied by this Act on beverages in containers of a pint capacity or larger may be paid through the use of stamps on proper resolution of the governing body of the county.

Section 4. The county commission, board of revenue or other similar county governing body, is hereby authorized to adopt rules and regulations upon the recommendation of the probate judge, consistent with good fiscal policy, to assist and guide the efforts of the probate judge in the collection of the license tax herein levied. Such rules and regulations may provide for stamps, decals, or other means of identification to be used to denote the tax on any beverage or beverages taxed under the provisions of this act. Provided, further, the county governing body is authorized to have prepared and to purchase stamps, decals, or other means of identification to assure the collection of the tax and assist in the enforcement of the provisions of this Act. Such stamps, or other means of identification, shall be delivered to the probate judge to be used by him in the collection and enforcement of the provisions of this Act. Each stamp, or other means of identification, shall have inscribed thereon the words ". . . (Name of the particular county) County Beverage Tax", but such words need not be arranged in the foregoing order and may be abbreviated. Any person having in their possession any unstamped or improperly stamped beverage or beverages subject to the rules and regulations so adopted by any such county governing body, shall be guilty of a misdemeanor, and upon conviction shall be fined not less than \$100.00.

Section 5. In the event the county commission, board of revenue, or other similar county governing body provides by proper resolution that alcoholic, spirituous, vinous, or fermented liquor shall be stamped as authorized under Section 4 of this Act then every person subject to the provisions of this Act shall within one hour after the receipt of any such alcoholic, spirituous, vinous, or fermented liquor within said county, unless sooner offered for sale, cause stamps in the requisite amount of tax to be affixed. After such stamping has begun, it shall be continued with reasonable diligence by such person until all of the unstamped alcoholic, spirituous, vinous or fermented liquor required to be stamped has been stamped. If stamps are required to be affixed by proper resolution of the county commission, board of revenue, or other similar county governing body, such stamps shall be affixed to each in-

dividual bottle or other container as provided in rules and regulations properly adopted by the county commission, board of revenue, or other similar county governing body in such a manner that its removal will require continued application of water or steam.

Section 6. (a) Any person before engaging in selling, distributing, delivering, storing or taking out of storage any alcoholic, spirituous, vinous or fermented liquors in any county subject to the provisions of this Act shall file with the probate judge a bond in the approximate sum of two times the average monthly tax estimated by the probate judge which will be due by the applicant. The bond shall be in such form and amount as may be approved by the probate judge, shall be executed by a surety company licensed and duly authorized to do business in Alabama, shall be payable to the county subject to the provisions of this Act, and be conditioned upon the prompt filing of true reports, and the payment by the applicant to the probate judge of the license tax herein fixed and provided, together with all penalties thereon, and generally upon faithful compliance with the provisions of this Act. Upon the filing of such bond and approval thereof, the probate judge shall issue a permit to applicant to engage in such business so long as applicant may not be in default in compliance with the provisions of this Act. It shall be unlawful and constitute a misdemeanor for any person to engage in selling, distributing, delivering, storing or taking out of storage any alcoholic, spirituous, vinous or fermented liquors in any such county without first having filed the bond and secured the permit as required herein. (b) In the event the liability upon any bond filed under the provision of this Act shall be discharged or reduced, whether by judgment rendered, payment made, or otherwise, or if in the opinion of the probate judge any surety on the bond theretofore given which becomes unsatisfactory or unacceptable, then the probate judge may require the filing of a new or additional bond conditioned as hereinabove provided and in the event of the failure of any person, within ten days of written notice to it by the probate judge, to file such new or additional bond, the probate judge shall revoke the permit issued to such person. (c) If the probate judge shall decide that the amount of any existing bond filed by any person is insufficient, the probate judge may order such person to file, within ten days after written notice by the probate judge to such person, a new or additional bond in such amount as the probate judge may find reasonably necessary to insure payment of all amounts due or to become due the county, and if such new or additional bond is not filed within ten days after such notice from the probate judge the probate judge may revoke the permit already issued to such person. (d) Any surety on any bond furnished by any person, as above provided, shall be released and discharged from any and all liability to the county accruing on such bond after the expiration of sixty days from the date upon which surety shall have filed with the probate judge written request to be released and discharged, provided, however, that such request shall not operate to relieve, release or discharge such surety from any liability already accrued, or which shall accrue before the expiration of said sixty day period. The probate judge shall promptly upon receipt of notice of such request notify the person who furnished such bond of the request of the surety on said bond, and unless such person shall, on or before the expiration of such sixty day period, file with the probate judge a new bond in the amount and form hereinabove in this section provided, the probate judge shall forthwith cancel the permit of said person.

Section 7. It shall be unlawful for any person having no place of business within the county to make any sale, distribution, or delivery

of any alcoholic, spirituous, vinous or fermented liquors within the county without first having obtained a permit to do so from the probate judge of the county; and such person shall be liable for and subject to the license tax fixed and specified in section 3 (a) of this Act.

Section 8. (a) It shall be the duty of any person subject to the license tax imposed by this Act to keep full and complete records of all purchases, receipts, inventories and of all other matters from which the correct amount of license tax to which such person is subject may be ascertained; and in the event that such person shall discontinue his business, he shall not destroy or dispose of such records until he shall have given the probate judge thirty days notice in writing of his intent to destroy or dispose of such records. The failure of such person to keep such records, or his destruction or disposition of such records without giving such notice, shall constitute a misdemeanor. (b) Upon demand by the probate judge or his authorized deputy, auditor, or representative, it shall be the duty of any such person subject to the license tax imposed by this Act to furnish such demanding person, without delay, all such information as may be required for determination of the correct amount of license tax to which such person is subject, and to that end it shall be the duty of such person to submit to such demanding person, for inspection and examination, during reasonable hours, at such person's place of business within the county, all books of accounts, invoices, papers, reports, memoranda, containing entries showing the amount of purchases, receipts, inventories, and any other information from which the correct amount of license tax to which such person is subject may be determined and any person failing or refusing to submit such records for such inspection and examination upon such demand shall be guilty of a misdemeanor. (c) If any person subject to the provisions of this Act does not have in such person's control or possession, within the county, true and intelligible books of account, invoices, papers, reports or memoranda correctly showing the data and information necessary for determination of the correct amount of the license tax due, or if having in such person's possession or under such person's control such books, invoices, papers, reports or memoranda, such person shall fail or refuse to submit and exhibit the same for inspection and examination as herein required, then, in either event, it shall be the duty of the probate judge of the county to ascertain, from such information and data as he may reasonably obtain, the correct amount of license tax due from such person, and to assess the same against such person and to give such person notice of said assessment and to demand of such person immediate payment of the amount of such license tax. If the amount of the license tax so ascertained and demanded is not paid within ten days after receipt of notice of the assessment and demand for payment thereof, then, so long as said amount remains unpaid it shall be unlawful, and shall constitute a misdemeanor, for the person to engage in business, and each day's engagement in such business shall constitute a separate offense.

Section 9. Among others the following acts and omissions shall be unlawful: (a) It shall be unlawful for any person subject to the license tax imposed by this Act, to fail to affix any stamps in the manner or within the time required by any rules and regulations adopted by proper resolution of the county commission, board of revenue, or other similar county governing body as provided under Section 4 of this Act. (b) It shall be unlawful for any person to sell, offer for sale, or deliver within a county subject to the provisions of this Act any alcoholic, spirituous, vinous, or fermented liquor on which stamps are required and have not been properly affixed. (c) It shall be unlawful for any person to have in his possession or under his control any alcoholic,

spirituous, vinous, or fermented liquors not properly stamped as required for more than one hour after receipt of such alcoholic, spirituous, vinous or fermented liquor on the premises of such person. (d) It shall be unlawful to manufacture, buy, sell, offer for sale, or possess or to attempt any reproduction or counterfeit of the stamps provided for or to alter or cause to be altered any stamp provided for. (e) It shall be unlawful to remove from a bottle or container of alcoholic, spirituous, vinous or fermented liquors, or otherwise prepare, any stamp with intent to use or cause the same to be used after it has already been used; to buy, sell or offer for sale, or give away, any washed, removed, altered or restored stamp to any person, or to have in possession any such washed, removed, restored, or altered stamp, or for the purpose of indicating the payment of any tax hereunder, to reuse any tax stamp which has heretofore been used for the payment of any tax provided in this Act, or, except as to the probate judge, to sell any stamp provided for herein. (f) The probate judge, his agent, or any peace officer of said county, shall have authority to seize without warrant any and all alcoholic, spirituous, vinous or fermented liquors on which the license tax levied by this Act has not been paid, including the containers or packages in which such alcoholic, spirituous, vinous or fermented liquors are found, in the possession of any person violating the provisions of this Act, and such alcoholic, spirituous, vinous or fermented liquor in the possession of such persons are hereby declared to be contraband goods and upon such confiscation shall be delivered to the probate judge for sale at public auction to the highest bidder after due advertisement; if there be in such county a county purchasing agent the probate judge may deliver such alcoholic, spirituous, vinous or fermented liquor to such purchasing agent to be sold at public auction as herein provided. The proceeds of the sale of any such alcoholic, spirituous, vinous or fermented liquor sold hereunder after paying all costs shall be distributed by the probate judge as provided in Section 12 of this Act. The arresting officer or person making the seizure shall proceed as follows: First he shall cause a list, containing a particular description of the alcoholic, spirituous, vinous or fermented liquor seized, showing the quantity of each brand, the size and kind of containers of each brand, the date or dates on which confiscated, and the person or persons from whom confiscated; to be prepared in duplicate. The said officer or person shall proceed to post a notice for three weeks in writing at three places in the county, that the seizure was made, describing the alcoholic, spirituous, vinous or fermented liquor, the quantity of each brand, the size of containers of each brand, stating the time and place and cause of their seizure, and requiring any person claiming them to appear and make such claim within thirty days from the date of the first posting of such notice. Second, any person claiming said liquors so seized as contraband within the time specified in the notice, may file with the probate judge a claim in writing stating his interest in the articles seized, and shall execute a bond to the probate judge in the penal sum equal to double the value of the alcoholic, spirituous, vinous or fermented liquor so seized, but in no case will the said bond be less than the sum of two hundred dollars (\$200.00), with sureties to be approved by the probate judge in the county in which the alcoholic, spirituous, vinous or fermented liquors are seized, conditioned that in the case of condemnation of the alcoholic, spirituous, vinous or fermented liquor the obligor shall pay to the probate judge the full value of the alcoholic, spirituous, vinous or fermented liquor so seized, and all costs and expenses of the proceeding to obtain such condemnation, including a reasonable attorney's fee. Upon the delivery of such bond to the probate judge, he shall transmit the same with the duplicate list or description of the alcoholic, spirituous, vinous or fermented liquor so seized to the county attorney

of such county if there be a county attorney, or to the solicitor of the county in which such seizure was made, and the said county attorney or solicitor shall file a bill in the Circuit Court in Equity in the county where the seizure was made to secure the forfeiture of said alcoholic, spirituous, vinous or fermented liquor and the bottles and containers in which seized. Upon filing the bond as aforesaid, the said alcoholic, spirituous, vinous or fermented liquor shall be delivered to the claimant pending the outcome of said case; provided, however, the proper license tax must be paid by the claimant before said alcoholic, spirituous, vinous or fermented liquor are delivered by the probate judge. Third, if no claim is interposed or no bond given within the time above specified, such alcoholic, spirituous, vinous or fermented liquor shall be forfeited without further proceedings and the same shall be sold as herein provided. The proceedings against such alcoholic, spirituous, vinous or fermented liquor pursuant to the provisions of this subsection shall be considered as proceedings in rem.

Section 10. Any person violating any of the provisions of this Act, shall, upon conviction, be punished by a fine of not more than five hundred dollars (\$500.00) and may also be sentenced to hard labor for the county for not exceeding six months, either or both. It shall be the duty of the probate judge to receive the license tax herein levied and to make distribution as herein provided. It shall be the duty of the probate judge to enforce the provisions of this Act and to check the books, records, etc., of any such person subject to the license tax imposed by this Act.

Section 11. If, in any county in which this Act may become operative, there is a commissioner of licenses, or director of revenue, then, and in that event, all of the powers, authorities, and duties which, by the terms of this Act, are vested or placed upon the probate judge shall, in such counties, be vested in and be placed upon the commissioner of licenses, or director of revenue, as the case may be.

Section 12. The license tax required to be paid to the probate judge by this Act shall be received by him, and shall be distributed by him on or before the 15th day of the month following the month in which it is received, as follows: Two percent of said tax shall be paid to the probate judge to be paid by him into the general treasury of the county for the collection, enforcement, and distribution of said tax; the remainder of said tax after first deducting the two percent as above provided, shall be paid by the probate judge into a special fund known as the "County Indigent Patient Care Fund" to be distributed on proper resolution by the county governing body of such county exclusively for residents of such county in the care of indigent patient requirements, or for the construction, maintenance, or operation of an outpatient clinic exclusively for the residents of such county. Provided, however, said tax may be used for the construction, maintenance, or operation of emergency room facilities. Provided, further, if there be in such county a county hospital authority, or county indigent pay authority, or any similar authority created by legislative act for the purpose of administering funds for indigent patient care, then such tax shall be paid by the probate judge to such authority.

Section 13. Severability — If, for any reason, any clause, sentence, subsection, section or provision of this Act, or the application thereof to any person, body, situation or circumstance is held invalid or inoperative, the remainder of this Act and the application thereof to any other person, body, situation or circumstance shall not be affected thereby.

Section 14. This act shall take effect on the first day of the month following its passage and approval by the Governor, or upon its otherwise becoming a law.

And the substitute was adopted.

With notice and proof thereto attached and herewith exhibited as follows:

LEGAL NOTICE

STATE OF ALABAMA  
DEKALB COUNTY

Notice is hereby given in accordance with Section 106 of the Constitution of Alabama that a bill substantially as follows will be introduced in the Legislature of Alabama, and application for its passage and enactment will be made, to wit:

A bill for an act to authorize the governing body of DeKalb County to impose an excise tax, in addition to all other taxes imposed or authorized by law, on persons, corporations, co-partnerships, companies, agencies and associations engaged in the business of selling, distributing, storing or withdrawing from storage, for any purpose whatever, gasoline or other liquid motor fuels or devices or substitutes therefor in DeKalb County. The act will regulate the imposition of the tax, and upon its imposition will require distributors, retail dealers, and storers of gasoline and other liquid motor fuels, or devices or substitutes therefor, to pay such tax upon the selling, distributing, or withdrawing from storage of gasoline and other such liquid motor fuels within the county, and the computation and payment of the tax by sellers of gasoline and other liquid motor fuels will be based on their sales and that by storers and distributors will be based on their withdrawals or distributions. The act will further provide, however, that one payment of the tax by any distributor, retail dealer, or storer will be sufficient, the intent of the act being that the tax is to be paid but once on the same gasoline. The act will exempt from payment of the tax sales of gasoline and other liquid motor fuels made in interstate commerce or to be used in essential governmental functions by county agencies, municipalities, and boards of education.

The act will provide for the enforcement, payment, and collection of the tax, and will require distributors, retail dealers, and storers engaged in making sales or withdrawals of gasoline and other liquid motor fuels in DeKalb County to make reports to the county governing body, as a condition precedent to engaging in such business in the county, showing the current place and post office address of the business, and, also, to make monthly reports showing the sales and withdrawals of taxable gasoline and other liquid motor fuels and such other information as the county governing body may require. Such distributors, storers, and retail dealers will also be required to keep at some certain place in Alabama such books and other documentary evidence as will show the amounts of sales or withdrawals of gasoline and other liquid motor fuels taxable in the county. Transportation companies or agencies operating in the county will be required to submit reports showing shipments of gasoline and other liquid motor fuels into the county, such reports to show the names and addresses of the consignors or consignees and the amounts of the shipments.

The act will provide for the payment of the tax, and will authorize its payment to the county governing body along with the required monthly reports, but will also authorize the state revenue department to collect the tax for DeKalb County, with the approval of the Governor upon the request of the county governing body. The act will make provision for the enforcement collection, and payment of the tax in the event it is collected by the state agency. The county governing body will be given the duty of enforcing the act, upon the imposition of the tax, and it will have the right itself, or its members or agents, to examine the books, reports, and accounts of persons, firms, corporations, or associations subject to the tax, and it will also have the right to make rules or regulations necessary and proper for the collection of the tax. Further provisions for the enforcement and collection of the

tax will include penalties for failure to make the required reports, failure to comply with the regulations of the county governing body, and failure to pay the required tax; and the act will also include remedies available to the county as against delinquent taxpayers, including the making of the taxes and penalties a lien upon the property of the person owing the taxes and penalties. Distributors, storers, or dealers who violate the act or fail to comply with any reasonable rule or regulation promulgated thereunder may be restrained from distributing, selling, storing, or withdrawing from storage taxable gasoline and other liquid motor fuels until such person has complied with the act.

The act will make provision for the distribution and use of the proceeds of the tax, and will provide for the use of such proceeds to surface, maintain, repair, and construct public roads and bridges in DeKalb County, and the act will provide that no part of such proceeds may be pledged in anticipation of its collection. The purpose of the act, however, is to provide for the construction and maintenance of county roads, and to assist the county in financing contracts entered into between the county and the State Highway Directors, providing for the construction of roads in the county, and the act will provide that to the extent necessary the proceeds of the tax may be used to replace the loss of any funds from the county gasoline fund which is derived from state gasoline taxes and which may be pledged in the liquidation of any indebtedness incurred by virtue of the road program as set out in the contract.

Mr. Self requested that the following be inserted in the Journal:

## QUESTION TO MR. SPEAKER BY SELF

Question: Would an amendment to Senate Bill 67, an appropriation bill, in effect kill the bill since this is the last legislative day before Oct. 1, 1959, beginning of new fiscal year?

Answer: Since this is the last legislative day, the Senate would probably not have time to concur or not concur in the bill.

Mr. Self then stated that he would have offered the following amendment to S. B. 67 had this not been the last legislative day prior to the beginning of the next fiscal year on October 1, 1959.

#### AMENDMENT TO S. B. 67

Amend Section 1, first sentence thereof, to read as follows: "That the sum of Six Hundred Thousand Dollars (\$600,000.00), or so much thereof as may be necessary, is hereby appropriated from the Oil and Gas Fund in the State Treasury to the State Building Commission, to be used exclusively for the purpose of constructing and equipping a suitable building to house the records, offices, and other facilities of the State Oil and Gas Board, said building to be located within the state at a location to be approved of by the State Oil and Gas Board."

And the bill:

S. 238. To provide for the distribution of the 2% tax levied on the producer of crude petroleum oil or natural gas produced for sale, transport, storage, profit, or for use from any well or wells in the State of Alabama pursuant to Section 26, of Act No. 1, approved May 22, 1945, as amended by Act No. 453, approved August 31, 1953; to provide for the transfer of \$100,000.00 to the General Fund from such surplus funds in the State Treasury to the credit of the Oil and Gas Fund as of September 30, 1959; to repeal all laws or parts of laws, especially Section 32 of Act No. 1, approved May 22, 1945; and to provide an effective date for this Act.

## MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has originated and adopted the following Senate Joint Resolution and sends same herewith to the House for its consideration:

By Mr. Robison:

S. J. R. 26. WHEREAS, R. F. Hudson, Jr. was the publisher of a newspaper almost as old as the State of Alabama itself, a newspaper that was born just in time to support and hail the election of Andrew Jackson, a newspaper that had survived many other newspapers and all other businesses to become the oldest business in the Capital; and

WHEREAS, in a democratic commonwealth such as ours the newspapers are institutions without which neither our political processes nor commercial life could function, and capital city newspapers have traditionally played central roles in the drama of the state's government and politics; and

WHEREAS R. F. Hudson, Jr. was the avatar of the spirit and tradition begat by a dynasty of powerful, high-minded editors and was a trustee whose aim was the renewal and perpetuation of this nationally known tradition, which is duly attested by the premier newspaper awards; and

WHEREAS, R. F. Hudson, Jr. was among the most versatile and universally equipped publishers in Southern journalism and at the same time never let the hundreds who produced The Montgomery Advertiser and the Alabama Journal forget that they could count on his kindly regard and solicitude; now therefore, be it

RESOLVED BY THE SENATE OF ALABAMA, THE HOUSE OF REPRESENTATIVES CONCURRING, that the Legislature of Alabama has heard with deep sensibility and profound sorrow of the death of R. F. Hudson, Jr., and the two Houses, sharing in the general grief, and desiring to manifest their sensibility upon the occasion of the family's bereavement, request the Senator from Montgomery to transmit a copy of these resolutions to Mrs. Hudson and to Mr. R. F. Hudson, Sr., and to assure them of the profound respect of the two Houses for the person and character of R. F. Hudson, Jr., and of their sincere condolence on his untimely passing.

J. E. SPEIGHT,  
Secretary.

H. 73 (with substitute). Relating to judicial procedure, and to provide for and regulate the selecting and impaneling of juries and alternate jurors in all criminal and quasi-criminal cases in the circuit courts in counties having a population of not less than 200,000 nor more than 400,000, according to the last or any subsequent federal decennial census.

Was taken up.

The question was upon the adoption of the substitute reported by the Standing Committee on Local Legislation No. 1, said committee substitute being as follows:

A BILL  
TO BE ENTITLED  
AN ACT

Relating to judicial procedure, and to provide for and regulate the selecting and impaneling of juries and alternate jurors in all criminal and quasi-criminal cases in the circuit courts in counties having a population of not less than 200,000 nor more than 400,000, according to the last or any subsequent federal decennial census.

Be It Enacted by the Legislature of Alabama:

Section 1. The provisions of this Act shall apply to and be operative only in circuit courts of this State in counties having not less than 200,000 nor more than 400,000, according to the last or any subsequent federal decennial census.

Section 2. In every criminal case, any defendant or the prosecution may demand a struck jury. When so demanded, the clerk or his deputy or assistant or other person designated by the judge presiding, shall furnish all parties with a list thirty competent jurors in attendance upon the court in all cases except in capital cases, and in capital cases shall furnish all parties with a list of forty-two competent jurors in attendance upon the court; and from such lists so furnished a jury must be obtained by the prosecution striking first from the list the name of one juror, and the defendant striking from the list the name of two jurors, and thereafter the prosecution shall continue to strike off one name and the defendant shall continue to strike off two names until two jurors remain on the list, and these twelve thus selected shall be the jury charged with the trial of the case.

Section 3. The thirty, or forty-two, jurors shall be obtained from all of the jurors then in attendance upon the court and who at the time are readily and presently available for the trial of the case in such manner but without selection of names as the judge of such courts may prescribe by rule of court, or if no such rule is provided, then in such manner, but without selection of names, as ordered by the judge presiding on the trial of the case. In the event neither the prosecution nor any defendant demands a struck jury, the court shall obtain without selection of names, twelve competent jurors from the jurors then in attendance upon the court, and readily available for the trial, which said twelve jurors shall try the case.

Section 4. In the event that thirty competent jurors are not readily and presently available for the striking of a jury in a misdemeanor or quasi-criminal case, then the prosecution and the defendant or defendants may be required to strike from the competent jurors that are presently and readily available for the trial provided the number of competent jurors is not less than twenty-four. The striking of names when less than thirty competent jurors are presently and readily available for the trial shall proceed in the same order and manner as if striking from a list of twenty-four jurors, until only twelve jurors remain on the list and these twelve shall be the jury charged with the trial of the case.

Section 5. In case two or more persons are tried jointly, by agreement, the solicitor shall strike one and each defendant shall have the right to strike off one name and they shall continue thus to strike off names until only twelve remain, and the twelve thus selected shall be the jury charged with the trial of the defendants.

Section 6. If any defendant or defendants should refuse to strike the number of jurors allowed him by the provisions hereof from the list furnished him, then the judge presiding shall proceed to strike off the names for the defendant or defendants refusing to strike.

Section 7. No special venire shall be ordered or drawn for the trial or trials of a defendant or defendants in capital felonies, but a defendant or defendants in capital felony cases shall be entitled to strike from a list of forty-two competent jurors obtained from the regular juries in the court.

Section 8. It shall not be a ground to quash the venire or to continue any case of the kinds referred to in this subdivision that the sheriff has failed to summon any of the jurors drawn for service during the week in which said case is set for trial, or that any of the jurors summoned have failed or refused to attend court, or that there is any mistake in the name of any juror summoned, or that a judge, either in open court or otherwise has, with the consent of the defendant for any cause, excused any juror summoned for service for the week in which said case is set for trial.

Section 9. In any felony case, whether capital or non-capital, the court in its discretion may order the selection of one or two alternate jurors.

Section 10. If the court orders the selection of one alternate juror, such juror shall be selected in the following manner:

(a) If and when according to the provisions of sections 2, 3 and 7 of this Act the parties would be entitled (in the absence of such order for an alternate juror) to strike from a list of thirty competent jurors, the parties shall be provided with, and required to strike from, a list of thirty-four competent jurors until thirteen names remain on the list. Thereupon the court shall select by lot one name from such thirteen names. The juror whose name is so selected shall be the alternate juror, and the remaining twelve shall be the principal jurors.

(b) If and when according to the provisions of section 2, 3 and 7 of this Act, the parties would be entitled (in the absence of such order an alternate juror) to strike from a list of forty-two competent jurors, the parties shall be provided with, and required to strike from a list of forty-six competent jurors until thirteen names remain on the list. Thereupon the court shall select by lot one name from such thirteen names. The juror whose name is so selected shall be the alternate juror, and the remaining twelve shall be the principal jurors.

Section 11. If the court orders the selection of two alternate jurors, such alternate jurors shall be selected in the following manner:

(a) If and when according to the provisions of sections 2, 3 and 7 of this Act the parties would be entitled (in the absence of an order for alternate jurors) to strike from a list of thirty competent jurors, the parties shall be provided with, and required to strike from, a list of thirty-eight competent jurors until fourteen names remain on the list. Thereupon the court shall select by lot one name from such fourteen names and the juror whose name is so selected shall be Alternate Juror No. 1, Thereupon the court shall select by lot from the remaining thirteen names, another name, and the juror whose name is so selected shall be Alternate Juror No. 2. The remaining twelve shall be the principal jurors.

(b) If and when according to the provisions of sections 2, 3 and 7 of this Act the parties would be entitled (in the absence of an order for alternate jurors) to strike from a list of forty-two competent jurors, the parties shall be provided with, and required to strike from, a list of fifty competent jurors until fourteen names remain on the list. There-

upon the court shall select by lot one name from such fourteen names, and the juror whose name is so selected shall be Alternate Juror No. 1. Thereupon the court shall select by lot from the remaining thirteen names, another name, and the juror whose name is so selected shall be Alternate Juror No. 2. The remaining twelve shall be the principal jurors.

Section 12. The court may order an alternate juror to take the place of a principal juror only when a principal juror, prior to the retirement of the jury to consider its verdict, is excused by the court, in the exercise of its sound discretion, from further service by reason of some mental or physical ailment in such principal juror or his confrontation with some emergency, rendering him unable to perform his duties satisfactorily.

Section 13. If there are two alternate jurors, and both are able to perform the duties of a juror satisfactorily, the court shall order Alternate Juror No. 1 to take the place of the first member of the jury who, for a cause specified in section 12 of this Act, is excused from further service. If two alternate jurors were selected, but only one of them is able to perform the duties of a juror satisfactorily, then such one shall be ordered to take the place of any member of the jury who, for a cause specified in section 12 of this Act, is excused from further service. An alternate juror who is able to perform satisfactorily the duties of a juror may be ordered (under the same conditions as he might have been ordered to take the place of a member of the original twelve jurors) to take the place of a juror who himself was originally an alternate juror.

Section 14. All alternate jurors shall obey all orders and admonitions of the court. If the regular jurors are ordered to be kept in the custody of an officer or officers during the trial, such alternate jurors shall also be kept in such custody with the regular jurors. All alternate jurors shall be seated near the regular jurors with equal facilities for observing the proceedings in the trial, and shall attend the trial at all times in company with the regular jurors. If any alternate juror is ordered to become a member of the jury, he shall take the same oath as that administered to other jurors, and shall have the same functions, powers, duties, and privileges as regular members of the jury. Any alternate juror who has not been ordered to take a place on the jury, prior to the retirement of the jury to consider its verdict, shall be discharged.

Section 15. This Act shall supersede and repeal any and all local laws in conflict with or variant from this Act.

Section 16. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 17. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

And the substitute was adopted.

And the bill:

H. 335. To impose a road tax upon every person, firm or corporation who or which operates or causes to be operated on any highway in this State any vehicle defined in the Act as a "motor carrier"; to provide for the collection of such tax, and the enforcement of the Act; prescribing penalties.

Was taken up.

Mr. Nichols offered the following substitute for the bill, H. 335:

A BILL  
TO BE ENTITLED  
AN ACT

To make further provision regarding the taxation affecting motor fuel, as defined in this Act, sold to, or withdrawn from storage or used in this State by motor carriers, as defined in this Act, including the imposition of an excise tax measured by the quantity of motor fuel

used by such motor carriers in their operations in this State; the definition of the terms motor vehicle, motor carrier, operations, motor fuel, Commissioner, gasoline tax and Diesel fuel tax, as used in this Act; the fixing of the amount of such tax and provision for the collection thereof; provision for credit upon such tax for payment of the gasoline tax and the Diesel fuel tax and, in certain cases, provision for refunds of the gasoline tax and the Diesel fuel tax, if proper bond be given; provision for an audit of the records of applicants for refunds; provision for penalties for the violation of this Act; provision for the costs of administration of this Act; provision for the disposition of the proceeds of the tax imposed by this Act; provision for the making of reports by all motor carriers subject to this Act and for joint reports by certain of such motor carriers; provision for sales of motor fuel, as defined in this Act, to motor carriers duly reporting pursuant to this Act by a distributor or storer without liability for the gasoline tax or the Diesel fuel tax if such motor carrier has given bond in such amount as may be required by the Commissioner to secure the payment of the tax imposed by this Act; authorizing the Commissioner of the State Department of Revenue to promulgate rules and regulations with respect to the enforcement of the provisions of this Act; provision for reciprocal agreements with other states; provision for the modification and repeal of laws or portions thereof to the extent of any conflict with the provisions of this Act; the fixing of the effective date of this Act; and generally, provision for the enforcement of the provisions of this Act and rules and regulations adopted pursuant thereto.

Be It Enacted by the Legislature of Alabama:

Section 1. Definitions. Whenever used in this Act,

(a) the term "motor vehicle" shall mean any passenger vehicle that has seats for more than nine passengers in addition to the driver, or any road tractor, or any tractor, truck, or any truck having more than two axles.

(b) the term "motor carrier" shall mean every person, firm or corporation who or which operates or causes to be operated on any highway in this State any motor vehicle, as defined herein, except any resident person, firm or corporation owning or operating not more than one such motor vehicle for his own use and not for hire, and except any person, firm or corporation the motor vehicles of which are operated or caused to be operated wholly within this State.

(c) the term "operations" shall mean operations of all motor vehicles, whether loaded or empty, whether for compensation or not for compensation, and whether owned by or leased to the motor carrier who operates them or causes them to be operated.

(d) the term "motor fuel" shall mean and include gasoline, Diesel fuel, and any other inflammable liquid or substance by whatever name it may be known and sold, the use of which is as a fuel for the propulsion of motor vehicles.

(e) the term "Commissioner" shall mean the Commissioner of the State Department of Revenue.

(f) the term "gasoline tax" shall mean the tax imposed by Article 5, Chapter 20 of Title 51 of the Code of Alabama of 1940 as amended.

(g) the term "Diesel fuel tax" shall mean the tax imposed by Act No. 590, H. 392, General Acts of Alabama of 1939, pages 958-963, approved June 27, 1940.

Section 2. Amount of tax; levy. Every motor carrier shall pay an excise tax upon motor fuels used in its operations within this State at the same rate per gallon as shall be currently in effect for the classifications of fuels so used under applicable statutes levying the gasoline tax and Diesel fuel tax as such terms are defined in paragraphs (f) and (g) of Section 1.

Section 3. Credit of payment of gasoline and Diesel fuel taxes. (a) Every motor carrier subject to the tax hereby imposed shall be entitled to a credit on such tax equivalent to the rate per gallon of the applicable Alabama tax on motor fuel which is currently in effect, on all motor fuel purchased by such motor carrier within this State for use in its operations either within or without this State and upon which the gasoline tax or the Diesel fuel tax has been paid by such motor carrier. Evidence of the payment of such taxes in such form as may be required by, or is satisfactory to, the Commissioner shall be furnished by each such carrier claiming the credit herein allowed. When the amount of the credit herein provided to which any motor carrier is entitled for any quarter exceeds the amount of the tax hereby imposed for which the motor carrier is liable for the same quarter, such excess may under regulations of the Commissioner be allowed as a credit on the tax hereby imposed for which such motor carrier would be otherwise liable for any of the twelve succeeding quarters; or upon application within three years from the end of any quarter, duly verified and presented, in accordance with regulations promulgated by the Commissioner and supported by such evidence as may be satisfactory to the Commissioner, such excess may be refunded, if it shall appear that the applicant has paid to another state under a lawful requirement of such state a tax, similar in effect to the tax herein provided, on the use or consumption in such state of motor fuel purchased in Alabama, to the extent of such payment to said other state, but in no case to exceed the rate of the rate per gallon of the applicable Alabama tax on motor fuel which is currently in effect.

(b) The Commissioner shall not allow such refund except after an audit of the applicant's records and shall audit the records of an applicant at least once a year. If the Commissioner shall refuse to allow a refund in the amount claimed by the applicant, the applicant may request a formal hearing on the application for a refund. Such hearing shall be held by the Commissioner after notice to the applicant of not less than ten days. Whenever any refund is ordered it shall be paid by warrant of the state comptroller out of the same funds to which disbursed as provided in Section 7 hereof, and there is hereby appropriated out of said funds so much thereof as may be necessary to make refunds from time to time.

Section 4. Refunds to motor carriers who give bond. A motor carrier may give a surety company bond in an amount to be determined by the Commissioner but not in excess of fifteen thousand dollars payable to the State of Alabama and conditioned that the motor carrier will pay all taxes due and to become due under this Act from the date of the bond to the date when either the motor carrier or the surety company notifies the Commissioner that the bond has been cancelled. The surety shall be a corporation authorized to write surety bonds in Alabama. So long as the bond remains in force the Commissioner may order refunds to the motor carrier in the amounts appearing to be due on applications duly filed by the motor carrier under Section 3 of this Act without first auditing the records of the motor carrier. The surety shall be liable for all omitted taxes assessed against the motor carrier including the penalties and interest provided in Section 14 of

this Act even though the assessment is made after cancellation of the bond, but only for taxes due and payable while the bond was in force and penalties and interest on said taxes.

Section 5. Penalty for false statements. Any person who willfully and knowingly makes a false statement orally, or in writing, or in the form of a receipt for the sale of motor fuel, for the purpose of obtaining or attempting to obtain or to assist any other person, partnership or corporation to obtain or attempt to obtain a credit or refund or reduction of liability for taxes under this Act shall be guilty of a misdemeanor.

Section 6. Payment of tax. The tax hereby imposed shall be paid by each motor carrier quarterly to the Commissioner on or before the last day of April, July, October and January of each year and calculated upon the amount of motor fuel used in its operations within this State by each such motor carrier during the quarter ending with the last day of the preceding month.

Section 7. Disposition of proceeds of tax. The proceeds of the tax hereby imposed shall be disbursed as follows: that portion thereof that is attributable to the use of motor fuel subject to the gasoline tax, shall be disbursed in the manner provided by law for the disbursement of the proceeds of the gasoline tax; and that portion thereof that is attributable to the use of motor fuel subject to the Diesel fuel tax, shall be disbursed in the manner provided by law for the disbursement of the proceeds of the Diesel fuel tax. The administrative cost of this Act, not to exceed \$165,000 for the fiscal year ending September 30, 1960 and not to exceed \$260,000 for each succeeding fiscal year, shall be provided to the State Department of Revenue, to be allotted and budgeted under Title 55 of the Code of Alabama, as amended, in addition to the regular appropriation to such Department.

Section 8. How amount of motor fuel used in State ascertained. The amount of motor fuel used in the operations of any motor carrier within this State shall be such proportion of the total amount of such motor fuel used in its entire operations within and without this State as the total number of miles traveled within this State bears to the total number of miles traveled within and without this State.

Section 9. Reports of motor carriers. Every motor carrier subject to the tax imposed by this Act shall on or before the last day of April, July, October and January of every year make to the Commissioner such reports of its operations during the quarter ending the last day of the preceding month as the Commissioner may require and such other reports from time to time as the Commissioner may deem necessary.

Section 10. Joint reports by motor carriers. (a) Two or more motor carriers regularly engaged in the transportation of passengers on through buses on through tickets in pool service may, at their option, make joint reports of their entire operations in Alabama. The tax hereby imposed shall be calculated on the basis of such joint reports as though such motor carriers were a single motor carrier; and the motor carriers making such reports shall be jointly and severally liable for the tax.

(b) Such joint reports shall show the total number of over-the-road miles traveled in this State and the total number of gallons of motor fuel purchased in this State by the reporting motor carriers.

Credits to which the motor carriers making a joint return are entitled shall not be allowed as credits to any other motor carrier; but motor carriers filing joint reports shall permit all motor carriers engaged in this State in pool operations with them to join in filing joint reports.

(c) The motor vehicles of motor carriers filing joint reports shall be deemed to have consumed on the average of one gallon of motor fuel for each six miles traveled unless persuasive evidence discloses that a different amount was consumed.

Section 11. Inspection of books and records. The Commissioner and his authorized agents and representatives shall have the right at any reasonable time to inspect the books and records of any motor carrier subject to the tax hereby imposed. Records substantiating the operation of the motor carriers under this Act shall be kept within this state by the motor carriers for not less than three years; provided, that the Commissioner may permit such books and records to be kept without this State upon agreement by any motor carrier to defray reasonable travel expenses incurred in inspecting such books and records without the State.

Section 12. Cab card for motor vehicle. The Commissioner shall provide a permanent cab card to every motor vehicle, as defined herein, operated by a motor carrier, as defined in this Act, to be carried in the motor vehicle. The card shall remain the property of the State and may be recalled for any violation of the provisions of this Act or of the regulations promulgated thereunder. The Commissioner also shall provide by regulation for the registration of every such motor vehicle for a fee of one dollar each, which registration shall be good for the life of the motor vehicle. The proceeds of cab card fees attributable to motor vehicles using motor fuel subject to the gasoline tax shall be disbursed in the manner provided by law for the disbursement of the proceeds of the gasoline tax; and the proceeds of such cab card fees attributable to motor vehicles using motor fuel subject to the Diesel fuel tax shall be disbursed in the manner provided by law for the disbursement of the proceeds of the Diesel fuel tax. It shall be illegal for a motor carrier to operate or to cause to be operated in this State any motor vehicle as defined herein unless the motor vehicle carries the cab card required by this section; provided, however, the Commissioner by regulation may exempt from the requirement for carrying the said card such motor vehicles as urban and public transit motor vehicles or others if in his discretion they are clearly identifiable and the effective enforcement of this Act will not suffer thereby and further provided that motor vehicles bearing valid registration plates issued by this State shall be exempt from the provisions of this section. In addition and for a period not exceeding ten days as to any one motor carrier the Commissioner by letter or telegram may authorize the operation of a motor vehicle or motor vehicles without the cab card required when the enforcement of this section for that period would cause undue delay and hardship in the operation of the said motor vehicle or motor vehicles.

Section 13. Sales without liability for tax on part of distributor. The State Department of Revenue shall permit the sale of motor fuel without liability on the part of the distributor or storer for the gasoline tax or Diesel fuel tax as herein defined, when such motor fuel is sold to a motor carrier, as defined in this Act, for storage in bulk on such motor carrier's premises within the State of Alabama provided such motor carrier has given bond for such sum as the Commissioner may fix to secure the payment of the gasoline tax or Diesel fuel tax, as the

case may be, said bond to guarantee the prompt payment of all such tax accruing and to include such other reasonable conditions as the Commissioner may require to the end that evasions of the tax hereby imposed may be prevented, it being the intent of this act that the tax hereby imposed shall be imposed only where motor fuel is used in the operation of motor vehicles on the streets and highways of this State; provided, that the State Department of Revenue shall furnish to all distributors and storers who are bonded under the provisions of Section 670 of Title 51 of the Code of Alabama of 1940, as amended, a list of the motor carriers who have furnished the bond herein provided for and changes therein that from time to time occur.

Section 14. Penalties. Failure to comply with any rule or regulation issued by the Commissioner pursuant to the provisions of this Act, or the refusal or failure to file a report within the time prescribed pursuant to this Act, shall be deemed to be a violation thereof, and each such failure or violation shall constitute a misdemeanor and upon conviction shall be punishable by a fine of not more than \$300.00. Each such violation shall constitute a separate offense.

Section 15. Rules and Regulations. The Commissioner is hereby authorized to adopt, promulgate and enforce reasonable rules and regulations, as herein before provided for and such other reasonable rules and regulations relating to the administration and enforcement of the provisions of this Act, not in conflict with the specific provisions hereof, as he may deem advisable.

Section 16. Tax in addition to all other taxes. The taxes imposed on motor carriers by this Act are in addition to any taxes of whatever character imposed on such motor carriers by any other provision of law.

Section 17. Nothing in this Act shall apply to any motor vehicle operated by or on behalf of any department, board, bureau, commission by county agency or taxing area or other agency of the federal government or of the State of Alabama or any political subdivision thereof, nor shall the provisions of this Act apply to any school bus operated by, for or on behalf of the State of Alabama, any political subdivision thereof, or any private or privately operated school or schools.

Section 18. Reciprocal agreements with other States. The provisions of this Act shall be subject to such reciprocal agreements as may be entered into between the Commissioner and the proper official of any other state.

Section 19. All laws or parts of laws which are inconsistent or in conflict with the provisions of this Act are, to the extent of such inconsistency or conflict, hereby repealed.

Section 20. In the event any section, sentence, clause or provision of this Act shall be declared invalid by any court of competent jurisdiction, such action shall not affect the validity of the remaining sections, sentences, clauses or provisions of this Act, which shall continue effective.

Section 21. This Act shall take effect October 1, 1959, or immediately upon its enactment if enacted after that date.

And the substitute was adopted.

## MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has originated and passed the following Senate bills and ordered same sent forthwith to the House without engrossment:

By Mr. Graham:

S. 369. To regulate the manner of constructing, improving, maintaining, repairing, and equipping public school buildings in Chilton County.

With notice and proof thereto attached and herewith exhibited as follows:

A BILL  
TO BE ENTITLED  
AN ACT

to be introduced at the 1959 Regular Session of the Alabama State Legislature or any Special Session of the Legislature.

STATE OF ALABAMA  
COUNTY OF CHILTON

NOTICE is hereby given that a bill substantially as follows will be introduced in the Legislature of Alabama and application for its passage and enactment will be made, to-wit:

To regulate the manner of constructing, improving, maintaining, repairing, and equipping public school buildings in Chilton County.

Be It Enacted by the Legislature of Alabama:

Section 1. All contracts made by the board of education of Chilton County for the construction of public school buildings, or additions thereto, or for the purchase of equipment therefor when any such purchase involves a sum in excess of eight hundred dollars (\$800), shall be let on the basis of written, sealed, competitive bids. In the purchase of such equipment, no undertaking involving sums in excess of eight hundred dollars (\$800) shall be split into parts involving sums less than eight hundred dollars (\$800) for the purpose of evading the requirements of this Act. All such partial contracts involving less than eight hundred dollars (\$800) shall be void. Advertisements for bids shall be given by publication thereof at least one time in a newspaper of general circulation published in Chilton County and also by publication at least one time in a newspaper of general circulation throughout the State. In the event a newspaper of general circulation is not published in the county the publication in a newspaper of general circulation throughout the State shall be sufficient to comply with the requirements of this section. Advertisements for bids shall describe the character of the proposed contract or agreement in sufficient detail to insure that all bidders shall know exactly what their obligations will be either in the advertisement itself or by references to plans and specifications on file with the county board of education at the time of the publication of the advertisement for bids. Advertisements for bids shall state the day, time, and place of opening sealed bids, and no bid shall be received after such indicated time. All bids shall be publicly opened by the board, and all bidders shall be entitled to be present in person or by representative. No bid for the construction of a school building, or any addition thereto, shall be accepted from, and no contract shall be awarded to, any person, firm, or corporation not having been licensed as a general contractor under the laws of this State. Cash, a cashier's check, or a certified check, as a deposit of good faith, in a reasonable amount but not exceeding five percent (5%), of the proposed contract price, shall accompany the sealed proposal of each bidder. All contracts shall be awarded to the lowest responsible bidder. It is provided, however, that the board of education shall have the right to reject any and all bids if the price is deemed excessive or if no responsible bids are received. If all bids are rejected, the board shall advertise again and proceed as before. Bond for faithful performance of any contract awarded hereunder, with adequate surety shall be required in an amount equal to the amount of the contract.

Section 2. If the total cost of improving, maintaining, and repairing public school buildings in Chilton County in any one year does not exceed the sum of twenty thousand dollars (\$20,000) for any one school building, the board of education may utilize the services of regular employees of the board in carrying out such improvement, repair, and maintenance program. In the event the total cost of such improve-

ment, repair and maintenance exceeds the sum of twenty thousand dollars (\$20,000) per school building in any one year, the board of education shall award contracts for such improvement, repair and maintenance on the basis of written, sealed, competitive bids, in the same manner and to the same extent as required in Section 1 of this Act in the construction of public school buildings, or additions thereto, or the purchase of equipment therefor. On or before the first day of June each year, the principal or superintendent of each public school under the jurisdiction and authority of the board of education shall furnish in writing to the board the estimated cost of necessary improvements, repairs, and maintenance to such school during the next succeeding school year.

Section 3. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 4. All laws or parts of laws which conflict with this Act are repealed.

Section 5. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

A BILL  
TO BE ENTITLED  
AN ACT

To establish the Winston County Court of Law and Equity in lieu of the Court established by Act. No. 242, H. 101, approved August 16, 1955 (Acts of Alabama, Regular Session 1955, vol. I, pp. 553-559); to define the jurisdiction and powers of said court, provide for its officers, their appointment, election, term of office, powers, duties, and compensation, and to provide that the court shall be open at all times for the transaction of business, and to authorize the judge to fix the time of holding sessions for the trial of cases; to empower the court to prescribe its own rules of pleading, practice, and procedure, and to give such rules the force and effect of law; to abolish the court established by said Act No. 242 of August 16, 1955, and provide for the transfer of all cases pending therein to the court hereby established.

Be It Enacted by the Legislature of Alabama:

Section 1. There is hereby established in and for Winston County a court to be known as the Winston County Court of Law and Equity. The court shall be in lieu of the court established pursuant to Act No. 242, H. 101, approved August 16, 1955 (Acts of Alabama, Regular Session 1955, vol. I, pp. 553-559), which is hereby abolished.

Section 2. (a) The Winston County Court of Law and Equity shall be a court of record and shall have and exercise the following jurisdiction, powers, and authority:

1. It shall have exclusive jurisdiction of all matters triable in the county court under general laws.

2. It shall have unlimited jurisdiction concurrent with the circuit court of Winston County of all civil and equity matters, including the power and authority to grant divorces, either limited or absolute, to award alimony and effect property settlements in connection with such divorces, and to determine the custody of children.

3. It shall have jurisdiction concurrent with the justices of the peace of Winston County of bastardy proceedings.

4. It shall have jurisdiction of all matters, causes, cases, or proceedings involving juveniles to the same extent as juvenile courts provided for by general laws.

5. It shall have power to issue all special and extraordinary writs that the circuit courts or the judges thereof are authorized to issue, and shall have all other powers and authority that are, or that may hereafter be conferred upon the circuit courts or the judges thereof, including the power to punish for contempt, unless otherwise provided in this Act.

(b) In all civil and equity cases in which both parties to the action are present in court, either in person or by attorney, if no specific objection to the jurisdiction of the court is raised by the defendant by plea, answer or demurrer, the jurisdiction of the court shall be deemed complete and cannot thereafter be questioned in any other court for any cause.

Section 3. A judge for the Winston County Court of Law and Equity shall be elected at the general election of state officers in November 1964, and every six years thereafter, to hold office for a term of six years from the first Monday after the second Tuesday in January next following his election. The judge shall be entitled to a compensation of seven thousand two hundred dollars a year, payable in equal monthly installments from the county treasury on warrants drawn in the manner prescribed by law. The judge shall be a qualified elector of Winston County not less than twenty-five years of age, shall be learned in the law and shall have been licensed to practice law in the State of Alabama for at least five years next preceeding his election or appointment. The judge shall not practice law in any of the courts of this State or the United States during his term of office. The judge may be removed from office in the manner and for the causes provided by law for the removal of circuit judges. Any vacancy occurring during the term shall be filled by the Governor for the unexpired term. The incumbent judge of the court abolished by this Act shall be the judge of the Winston County Court of Law and Equity until his successor is elected and assumes office as provided in this section.

Section 4. (a) The clerk of the circuit court of Winston County shall be ex officio clerk of the Winston County Court of Law and Equity and shall have the same powers and discharge the same duties as the clerks of the circuit courts. He shall be subject to the same pains and penalties with regard to the duties of the office, shall be entitled to the same fees, commissions, and emoluments as are now, or as may hereafter be allowed the circuit clerks of Alabama, which shall be collected as such fees and commissions are collected in the circuit courts, except that in civil matters where suit is brought for 100 dollars or less, only the fees and commissions allowed by law to justices of the peace shall be collected.

(b) The register of the circuit court of Winston County shall be ex officio register for the Winston County Court of Law and Equity and shall have the powers and discharge the duties which shall devolve upon the register of the court. He shall be subject to the same pains and penalties with regard to the duties of the office, shall be entitled to the same fees and commissions as are now, or as may be hereafter allowed to the registers of circuit courts in equity, which shall be collected as such fees and commissions are collected in circuit courts.

(c) A special filing fee of 10 dollars shall be collected in each divorce case brought in the Winston County Court of Law and Equity. The fee shall be in addition to all fees, trial taxes, and court costs otherwise assessable in the court, and when collected shall be paid into the general fund of the county.

Section 5. The county or deputy solicitor appointed or elected for Winston County shall represent the state in all criminal cases prosecuted in the Winston County Court of Law and Equity.

Section 6. The sheriff of Winston County shall in person, or by deputy or deputies appointed by him, such appointments to be ap-

proved by the judge of the court, attend upon the court, preserve order, execute all writs of process and perform such other duties in all respects as in the circuit courts of the state. For such services he shall receive such compensation as he receives under the laws of the state for performing similar services in the circuit court, except as herein otherwise provided.

Section 7. The judge of the court shall appoint a competent person capable of taking down and transcribing the proceedings of the court to be the official reporter for the court. The court reporter shall serve at the pleasure of the judge. His duties shall be the same as those required by general laws of official court reporters for the circuit courts, and he shall receive the same rate of compensation for transcribing the testimony or other proceedings as it now provided for the official court reporter in the circuit courts, and shall also receive the following compensation while he is engaged in taking testimony or other proceedings of the court; five dollars for one-half day or fractional part thereof; and ten dollars for each full day, plus five cents a mile to and from the place of holding the court.

Section 8. The Winston County Court of Law and Equity shall be held at the court houses in Double Springs and in Haleyville and shall be open at all times for the transaction of business. In case of sickness or disqualification of the judge of the court, a special judge shall be appointed in the same manner that special judges are appointed in the circuit courts. The judge of the court shall keep an office at such suitable place as may be provided by the court of county commissioners, board of revenue, or other like governing body of Winston County. It shall be the duty of the governing body of Winston County to provide such office and supply the same with telephone service and office supplies. Such office furniture, furnishings, fixtures, law library, and equipment as may be necessary to enable the judge of the court efficiently to conduct the affairs of his office shall be provided by the state department of finance.

Section 9. The judge of the court may determine and fix the time of holding sessions of the court for the trial of all cases, criminal, civil and equity; provided that all cases shall be called for trial at least once every thirty days. However, this section shall not be construed to prevent the continuance of any case in said court, by agreement of counsel or the parties on good cause shown the court, and when any cause is so continued to a specific time either for a cause shown to the court, or by agreement of the parties or counsel, it shall not be necessary to call said case until the expiration of the time to which it has been continued. And provided further, that the court shall have the right and power to call extraordinary session of said court whenever in the judgement of the court the same is necessary.

Section 10. All cases tried in the Winston County Court of Law and Equity shall be tried by the judge without a jury. The judge shall decide all questions of law and fact. Any party aggrieved by a decision in any civil case cognizable by justices of the peace may appeal at any time within five days after rendition of the judgments rendered by justices of the peace. In any other civil case, if the defendant is entitled to a trial by jury under the Constitution, he may demand a jury trial by endorsement on the initial pleading filed, and thereupon the clerk of the court shall transfer the cause to the circuit court. Upon such transfer, the jurisdiction of the circuit court shall attach in said cause, and the jurisdiction of the Winston County Court of Law and Equity shall cease and terminate.

The cause shall then stand regularly for trial in the circuit court. Unless a defendant demands a jury as herein provided, he shall be deemed to have waived a trial by jury; and the court shall make an entry thereof on the record and shall proceed to hear and determine the case.

Section 11. Appeals from judgements of the Winston County Court of Law and Equity in law and equity cases may be taken directly to the Supreme Court or the Court of Appeals in the same manner and within the same time that appeals are now taken from judgements in such cases in the circuit courts of the state.

Section 12. Upon conviction in a criminal case, the defendant shall have the right of appeal to the circuit court of the county, on entering into bond, with sufficient surety, to appear at the term of the court to which the appeal is taken, and from term to term until discharged, the bond to be in such penalty as the judge of the court may prescribe, and to be approved by the judge or clerk of the court. If the defendant does not make the bond required, he shall remain in custody and may, within ten days after taking said appeal, demand a trial by jury in the circuit court, otherwise, said case shall be tried by the court without a jury.

Section 13. All cases on the non-jury docket and all cases on the equity docket now or hereafter pending in the circuit court of Winston County may, by agreement of the parties thereto, be transferred from the circuit court to the Winston County Court of Law and Equity Likewise, all cases on the non-jury docket, and on the equity docket now or hereafter pending in the Winston County Court of Law and Equity may by agreement of the parties thereto, be transferred from the Winston County Court of Law and Equity to the circuit court of Winston County. In all cases, non-jury and equity, now or hereafter pending in the circuit court of Winston County, wherein a judgement pending in the circuit court of Winston County, wherein judgement by default, nil dicit, or decree pro confesso has been rendered, the same may be transferred from the circuit court to the Winston County Court of Law and Equity for final judgement or decree on motion of the plaintiff or complainant. Section 14. The judge of the Winston County Court of Law and Equity shall have plenary power to adopt and enforce rules governing pleading practice and procedure in the court, including the right to prescribe forms therefor. He may adapt to the needs of the court and incorporate into the rule of the court any or all rules relative to pleading, practice and procedures in the federal courts and the courts of other states, and such rules when adopted and promulgated shall have the force and effect of law, and shall supersede conflicting rules governing pleading, practice and procedure in other courts in the state. The rules of practice and procedure in the circuit courts of the state shall govern the pleadings, practice and procedure in the court hereby established, except as herein otherwise provided.

Section 15. The judge of the Winston County Court of Law and Equity shall adopt a seal for the equity side of the court, which shall be kept in the custody and under the control of the register of the court, and also a seal for the law side of the court, which shall be kept in the custody and under the control of the clerk of the court.

Section 16. For recording each affidavit the clerk shall receive a fee of seventy-five cents to be taxed as costs in case of the defendant's conviction.

Section 17. Was taken up.

The question was upon the adoption of the substitute reported by the Standing Committee on Ways and Means, said committee substitute being as follows:

A BILL  
TO BE ENTITLED  
AN ACT

To further provide for and raise revenue for the State of Alabama; to levy an additional tax on the sale of spirituous or vinous liquors sold by the Alabama Alcoholic Beverage Control Board, the said tax to be measured by the selling price of such liquors, exclusive of the taxes heretofore levied with respect thereto; to provide that the said selling price shall not be reduced for the purpose of absorbing the tax herein levied but that said tax shall be passed on to the purchaser; and to provide for payment of the proceeds from said tax into the state treasury.

Be It Enacted by the Legislature of Alabama:

Section 1. Definitions. The word, "Board," whenever used in this act, shall mean the Alabama Alcoholic Beverage Control Board provided for in Chapter 1 of Title 29 of the Code of Alabama of 1940. The term "selling price," wherever used in this act, shall mean the total marked-up price of spirituous or vinous liquors sold by the Board, exclusive of the taxes levied by Act No. 99 adopted at the 1943 Regular Session of the Legislature of Alabama and by Act No. 78 adopted at the 1955 Second Extraordinary Session of the Legislature of Alabama.

Section 2. Levy of Tax. In addition to all other taxes of every kind now imposed by law, and in addition to any marked-up price authorized or required by law, there is hereby levied and shall be collected a tax at the rate of ten percent (10%) upon the selling price of all spirituous or vinous liquors sold by the Board. The tax hereby imposed shall be collected by the Board from the purchaser at the time the purchase price is paid. One-half of the proceeds derived from the tax shall be deposited in the state treasury to the credit of the Public Welfare Trust Fund and shall be used for old age assistance only and is hereby appropriated therefor. The remainder of such proceeds from the tax herein levied shall be deposited in the state treasury to the credit of a special fund which shall be designated the Alabama Special Mental Health Fund, and shall be used only for mental health purposes, including the prevention of mental illness, the care and treatment of the mentally ill and the mentally deficient, and the acquisition, equipment, operation and maintenance of facilities for mental health purposes. Provided, that during the biennium beginning October 1, 1959 and ending September 30, 1961 such deposits shall be credited to these special funds in the state treasury at the end of each month, and then only in the event there shall have been deposited by the Board in the ABC Stores Fund and the Public Welfare Trust Fund during such month such amounts as may be equal to or greater than 105.5 percent of the amounts deposited in such funds during the corresponding month of the preceding fiscal year; if lesser amounts were so deposited, then as much of the proceeds of the tax levied in this Act as may be needed to make up the deficit shall be diverted for such purpose and the remainder of such proceeds shall be deposited as hereinabove provided.

Section 3. Tax not to be absorbed but passed on to purchaser. The mark-up as currently established by the Board on spirituous or vinous liquors shall not be reduced by the Board for the purpose of absorbing

the tax herein levied; it being the intention hereof that the said tax shall be passed on to the purchaser.

**Section 4. Effective Date.** This act shall become effective on the first day of the month following the date of its passage and approval by the Governor or the date of its otherwise becoming a law.

And the substitute was adopted.

**POINT OF PERSONAL PRIVILEGE**

Mr. Grouby requested as a matter of personal privilege that the following be inserted in the Journal:

Mr. Speaker:

I was not present in the Chamber when votes were taken on the bills, H. B. 760, 762, and 765, and I request that the record be made to show that had I been present I would have voted for the passage of said bills.

E. A. Grouby.

**MESSAGE FROM THE GOVERNOR**

To the House of Representatives  
State Capitol  
Montgomery, Alabama

Gentlemen:

I herewith transmit to you a message from the Governor, relative to House Bill No. 559.

Respectfully submitted,

JOSEPH G. ROBERTSON,  
Executive Secretary.

OCTOBER 6, 1959

To the House of Representatives  
State Capitol  
Montgomery, Alabama

Gentlemen:

I am returning to you, the Body in which this bill originated, House Bill No. 559, without my approval.

This bill, if signed by me, would result in a substantial loss of funds from the General Fund of the State of Alabama. Furthermore, should this bill be approved, it is reasonable to assume that the other counties of the State would follow the trail blazed by St. Clair County, which, of course, would result in greatly increased sums being expended from the State's General Fund to pay these court costs.

Notwithstanding the large sums of money that would be expended for the payment of these costs, there is a serious constitutional question as to whether or not the fines collected by the county inferior courts as a result of convictions in cases made by the Highway Patrolmen and State Conservation officers could be legally diverted to the payment of court costs. I am of the opinion that it would be an unconstitutional use of the fines so collected by these local inferior courts.

This bill also would lead to the establishment of a precedent by which the State could be called on to pay court costs in all criminal trials in the inferior courts of the State. This would deplete the State's General Fund.

In view of the above reasons, I respectfully decline to approve House Bill No. 559.

Respectfully,

JOHN PATTERSON,  
Governor.

### GOVERNOR'S MESSAGE

The House proceeded to reconsider the bill:

H. 559. To amend Act No. 173, H. 490, approved June 30, 1953 (Acts of Alabama 1953, page 217) which creates and establishes the Inferior Court of St. Clair County, so as to provide that fees of officers and State's witnesses in criminal cases docketed in such court in which the State fails to convict, or the cause is otherwise abated, withdrawn or dismissed or an order of nolle prosequi is entered by the State, shall be paid from the Fine and Forfeiture Fund of St. Clair County and such fund reimbursed therefor by the State.

The question was upon the passage of the bill, H. 559, the Governor's veto to the contrary notwithstanding.

And the bill, H. 559, was again read at length, and the House refused to pass said bill over the veto of the Governor.

And the bill:

H. 856. To abolish the office of comptroller of Walker County, and establish in lieu thereof a county depository; and to provide for the performance of certain duties relative to county funds by the county depository and other duties relative thereto by the Board of Finance and Control of Walker County and the President thereof, or any other like governing body of such county and its presiding officer.

Was taken up.

Mr. Bevill offered the following amendment to the bill, H. 856.

**AMENDMENT TO H. B. 856**

Strike out Section 8 of the bill entirely and substitute therefor the following as Section 8:

The provisions of this Act shall become operative only if approved by a majority of the electors of Walker County who vote in a referendum election held for that purpose, which shall be held on the date of the first countywide election held after adjournment of the 1959 Regular Session of the Legislature for the purpose of voting on amendments to the Constitution of Alabama. The governing body of Walker County shall order and provide for holding the referendum on such date, and for canvassing the results thereof. On the ballots to be used at the election the question shall be stated substantially as follows: "Do you favor abolishing the office of comptroller of Walker County as provided in H. B. 856 enacted at the 1959 Regular Session of the Legislature of Alabama?" If a majority of the votes cast at the election are "Yes," the provisions of this Act shall become operative on the first day of the month next succeeding the month during which the referendum is held. However, if a majority of votes cast at the election are "No," this Act shall have no further effect. The result of the election shall be certified to the secretary of state, State of Alabama, and to the chief examiner of public accounts, Montgomery, Alabama, by the probate judge of Walker County, within ten days after the results of the election have been ascertained.

And the amendment was adopted.
